

## **Truth & Peace Leadership Conference and Youth Evangelistic Team (YET) Statement on Coronavirus (COVID-19)**

These are challenging times as we navigate the current global health concerns. Vertical Three Ministries is actively following the developing news regarding the coronavirus (COVID-19), especially as it relates to this summer's activities on the campus of Randall University, and the VIII Conference in Oklahoma City, Oklahoma. **Since our activities are several months away, everything is proceeding as originally planned.**

Our decision making continues as we monitor and reevaluate the information available to us. Please know that our goal is to protect the people involved more than to have an event. We pledge to keep you informed and to let you know if and when anything changes.

In the meantime, let's stay the course and give ample time for more counsel from health professionals and authorities.

For questions or assistance connect with us via email at [info@verticalthree.com](mailto:info@verticalthree.com) or at 1.800.877.7030 ext. 331 or ext. 347.
