# REPORT FROM THE EXECUTIVE SECRETARY

It is an honor to report to the National Association of Free Will Baptists, Inc. I am thankful for the opportunity to serve and indebted to my predecessor, Keith Burden, for the wonderful job he performed during his tenure. I arrived September 1, 2019, and for several weeks, Brother Keith helped acclimate me to the position. He provided important guidance until he and Mrs. Debbie departed to Oklahoma for some well-deserved rest and time with their family.

These days, I often find myself thankful for those who have gone before us. For the first time in the 85-year history of the National Association, we will be unable to meet in person as a body. Our forefathers anticipated the possibility of a situation like this when they crafted Section 13 of the Constitution of the National Association of Free Will Baptists, Inc. "Should necessity arise from war, or pestilence or any cause which prevents a regular meeting of the National Association, whether such a condition is of a local or general condition, then the General Board shall be privileged to call and act with full authority in all matters pertaining to the general welfare of the National Association."<sup>1</sup> They established a means by which we can conduct business this year.

Denominations are as important today as they ever have been. Last fall I discussed the need for denominations at the Theological Commission Symposium at Welch College. The presentation can be accessed on the Theological Commission website.<sup>2</sup> Denominations act like guardrails, especially during times of shifting ideology. Denominations help us develop roots, teach and serve more effectively, and become a vital part of larger initiatives than a single church could do alone.

Last year, the Committee on Denominational Research conducted two surveys. The first survey was for pastors and the second for churches. These surveys revealed the greatest need for both pastors and churches is training and equipping. In the church survey, 56% indicated they never provided training to teachers and volunteers, while 34% reported doing so annually. Our office has seen this as an opportunity to help equip our people (Ephesians 4:11-12) to minister more effectively in our culture today.

## ***Equip Free Will Baptists to be healthier and more effective in ministry (Ephesians 4:11-12).***

These efforts fall into four primary areas: podcasts, webinars, written resources, and strategic efforts at our various meetings.

### ***Better Together Podcast***

Last fall, North American Ministries purchased the equipment to make it possible for the Executive Office to launch the ***Better Together Podcast*** in January. At this writing, we have published 34 podcasts. Another 34 episodes already have been recorded and are scheduled for launch. We are using these podcasts to provide resources for people to use on the go. These short, informative interviews are designed to pique the interest of people while highlighting Free Will Baptists and close friends to our denomination. Free Will Baptists have much to offer the United States and world, and we are making an effort to highlight the important contributions of our people. We also have a ***YouTube*** channel with 45 videos currently.

### ***Webinars/Seminars***

Our webinars provide in-depth information regarding particular issues. We hope to provide seminars on a regional basis in the future to equip those who cannot attend the National Convention or Leadership Conference.

### ***Written Resources***

There is great value in putting tangible resources into a person's hands. We have provided an online prayer journal that can be customized individually or for a particular church, as well as resources like the Free Will Baptist Catechism compiled by Dr. Paul Harrison. Additionally, we have produced graphics and memes that can be shared online or printed and taken around in one's pocket. The idea is to provide individuals with resources they need as they interact with family, friends, co-workers, and classmates (2 Peter 4:2; Numbers 15:37-39; Colossians 4:4-6).

The Executive Office also provides a bi-weekly email update. The *NAFWB News* shares the latest news, announcements, and events for denominational departments and ministries.

### ***National Convention/Leadership Conference/Association Meetings***

We are very strategic in the seminars and material provided at our meetings, which can serve as a boost to Christians in that area. Our hope is to provide training for pastors and laypeople. We are also making a concerted effort to provide this material online for those unable to attend meetings in person.

***What can you do?*** We need your help to disseminate and utilize this material. Please share, like, and review our content on social media. Share this information with your congregation. Use these resources for training in your church, at association meetings, and with presbytery boards.

### ***Increase Hispanic Ministry and Outreach (Acts 1:8).***

The world is coming to North America, and many of them speak Spanish. This is a unique opportunity for Free Will Baptists. The denomination has more Free Will Baptist churches in the South than any other region of the country. Since 2008, the South also has experienced the greatest growth among Latinos (33%).<sup>3</sup> Free Will Baptists are uniquely positioned to seize this opportunity. For some time, North American Ministries has ministered effectively to people who speak Spanish. The 2021 Power Conference (originally planned for this year but rescheduled due to COVID-19) will be offered in Spanish. IM, Inc. has effectively ministered in many Spanish speaking countries, WNAC has a ministry to Spanish speakers, and Welch College has hired a director to develop a Hispanic institute. What can we do to seize this opportunity?

We launched a Spanish version of the NAFWB Facebook site. We have provided our resources, both written and online, in Spanish. We also have begun offering webinars in Spanish, and we will begin offering Spanish seminars at the National Convention in 2021 (originally planned for 2020).

**What can you do?** Develop ministries for Spanish speaking people. Involve Spanish speakers in your churches and associations.

### ***Increase the Health and Retention of our Churches and Pastors (Acts 2:42-44).***

As I discussed at the Leadership Conference in December, our denomination faces many of the same challenges as other denominations. When the Committee on Denominational Research (CDR) asked churches to describe themselves, 22% said they were declining, 36% said they were neither declining nor growing, 42% said they were growing, and only 2% described themselves as exploding. On average, 40 NAFWB churches close or leave the denomination every year. Another challenge identified by the studies indicates that 55% of our pastors are over age 50. A follow-up study conducted by the CDR this fall also indicated 76% of churches do not have anyone preparing to preach. In our present state, we do not have enough pastors in the pipeline to replace those who will retire over the next few decades as discussed at the Leadership Conference.<sup>4</sup>

Our efforts in this area are focused upon pastors and laypeople. We need healthy pastors so we can retain them, and they need to be effective so they are capable of turning a struggling church around. Further, we need laypeople who are outwardly-focused rather than inwardly-focused and effective in the ministry so they can support the work of the clergy. **Healthy and effective pastors and laypeople are the key to healthy and effective churches.** This, of course will strengthen the denomination.

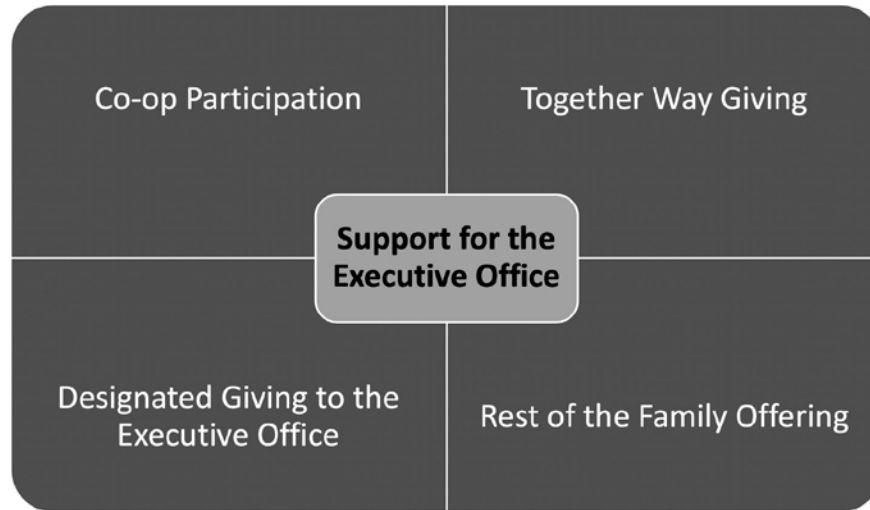

### ***Refresh***

In fall 2019, the Executive Office and North American Ministries began to look for ways to help our churches. We combined our efforts and developed Refresh. One aspect of **Refresh** is training coaches. Dr. Danny Dwyer has been administering the **Rekindle** program for struggling churches. In March, he trained 16 coaches in these techniques. In September, we will train another 15 coaches, with an additional 15 at the Leadership Conference in December.

**What can you do?** Provide your own expertise. Find and train your own replacement. Develop, disciple, and mentor those in your area. Pray that the Lord will send more laborers, and that men will answer the call to the ministry. We also need funding for Rekindle as Dr. Dwyer has become a coach of coaches.

### ***Increase cooperative, The Together Way, and overall giving***

We need more resources. However, I am convinced Free Will Baptists have all we need if we are good stewards of what God has given us. In particular, the Executive Office receives funding from four areas: co-op participation, The Together Way giving, designated giving, and the Rest of the Family offering.

As you will see in the reports that follow, co-op giving and The Together Way giving continues to trend downward. In 2019, 39 churches, individuals, or entities gave a total of \$9,802.51 to the Rest of the Family offering. The top ten giving churches to the Rest of the Family offering are listed below:

### **Rest of the Family Offering**

Liberty Free Will Baptist Church	Manning, South Carolina	\$1,039.83
Liberty Free Will Baptist Church	Marion, North Carolina	\$1,000.00
Gahanna Free Will Baptist Church	Gahanna, Ohio	\$862.00
Shady Grove Free Will Baptist Church	Whitesburg, Tennessee	\$628.00
Tabernacle Free Will Baptist Church	Coward, South Carolina	\$500.00
Liberty Free Will Baptist Church	Ayden, North Carolina	\$480.00
Walnut Grove Free Will Baptist Church	Walnut Grove, Arkansas	\$410.00
First Free Will Baptist Church	Checotah, Oklahoma	\$407.68
White Plains Free Will Baptist Church	Colquitt, Georgia	\$351.00
Deep Creek Free Will Baptist Church	Georgia	\$350.00
Harmony Free Will Baptist Church	Warren, Arkansas	\$325.00
Porter Free Will Baptist Church	Wheelersburg, Ohio	\$250.00

The funding to the Executive Office can be confusing, so we developed The Together Way brochure (also in Spanish and French) to help explain the funding. Thank you all for the support you have provided.

**Please find a way to give.** Consider putting the Executive Office in your budget. Receive a Rest of the Family offering or put the offering in your budget. Most importantly, pray for our effectiveness.

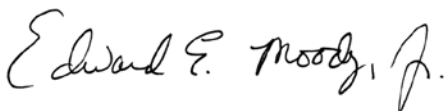

### ***Provide Support to Agencies and States.***

The goal of our office is to increase strategic behavior and cohesion among our national departments and state offices. As COVID-19 began to impact our country, we met regularly with state leaders and coaches to assess ways to minister effectively during the pandemic. In the fall of 2019, we began work on a SWOT analysis (Strengths, Weaknesses, Opportunities, Threats). The NAFWB agencies are developing a 2030 strategic plan.

We are trying to increase our effectiveness by meeting regularly and looking for ways to support our collective work. We are trying to help our people see denominational ministries as a unified team by highlighting our efforts in a bi-weekly email. We also have established a denominational social media team to support one another in our efforts.

The phrase “one another” appears so many times in the Scripture for a reason. Each agency, working together, helps the whole to be more effective. How do we fulfill the Great Commission (Acts 1:8) without North American Ministries and IM, Inc.? The sun never sets on the alumni of Welch College and consider the impact the College is having on the evangelical community. How can we be good stewards (Matthew 25) of the limited resources we have? The Board of Retirement enables pastors and others involved in ministry to get the most from their resources. The Free Will Baptist Foundation has the potential to be a game changer for churches and agencies. What will happen if more people tithe and give offerings on their estates? The potential endowments would enable these gifts to be used until our Lord returns. Consider the resources WNAC has distributed for missions and educational purposes. Where would missionaries, students, and Free Will Baptist women be without their work?

What can you do to help? Try to attend the National Convention and Leadership Conference. Stay informed. Be willing to serve on committees and boards on the local, state, and national, levels. By working together we will be stronger and more effective. We are truly Better Together.

**Independent Auditors' Report**

**Executive Committee of the  
General Board of the National  
Association of Free Will Baptists, Inc.**

**Report on the Financial Statements**

We have audited the statements of financial position of the Executive Office of the National Association of Free Will Baptists, Inc. (a nonprofit organization) as of December 31, 2019 and 2018, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Executive Office of the National Association of Free Will Baptists, Inc. as of December 31, 2019 and 2018, and changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**EXECUTIVE OFFICE OF THE NATIONAL  
ASSOCIATION OF FREE WILL BAPTISTS, INC.**

**Notes to Financial Statements**

**December 31, 2019 and 2018**

The Executive Office operates under the auspices of the National Association of Free Will Baptists, Inc., and is governed by the Executive Committee of the General Board of the National Association of Free Will Baptists, Inc.

The Executive Office exists to serve the national body, various boards, state organizations, local churches and individual members of the National Association of Free Will Baptists, Inc. as its administrative and service office which houses the Executive Secretary of the denomination whose duties includes the following:

To administer the affairs of the Executive Office and carry out the responsibilities delegated to him by the National Association and the Executive Committee;

Seek to show through general promotion the correlation and interrelation of all the national ministries and departments;

Serve as consultant on general denominational affairs and as official representative when occasion demands, and will represent the National Association to other bodies when in the interest of the denomination;

Serve as editor-in-chief of the association's official magazine (One Magazine);

Provide a program of stewardship education that will produce increased support for the denominational ministries through The Together Way Plan and other methods of proportionate sharing. In general to serve as the treasurer and business manager of the National Association;

Expedite the planning and production of the annual National Convention; and

To serve as chairmen of the Management Committee of the National Offices facilities (Building Services Fund).

**(1) Summary of Significant Accounting Policies**

**Basis of Presentation**

The financial statements of the Executive Office have been prepared on the accrual basis of accounting.

The Executive Office implemented ASU 2016-4, Not-for-Profit Entities (Topic 958) - Presentation of Financial Statements of Not-for-Profit Entities with its effective date for the year ended December 31, 2018. As required by generally accepted accounting principles, The Executive Office reports information regarding its financial position and activities according to two classes of net assets, as applicable:

Net assets without donor restrictions - Net assets not subject to donor imposed stipulations. These funds may be designated for specific purposes by action of the governing body.

Net assets with donor restrictions - Net assets whose use is subject to donor imposed stipulations and / or the passage of time.

Certain amounts in the prior-year financial statements may have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

The amount of each of the classes of net assets are presented in the statements of financial position and the change in each class of net assets is presented in the statements of activities.

**Measure of Operations**

The statement of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to ongoing activities, including investment income. Non-operating activities are limited to resources that generate return from investment, if any, and other activities of a more unusual or non recurring nature.

**Cash and Cash Equivalents**

For purposes of the statement of cash flows, all cash funds, cash bank accounts and highly liquid debt instruments purchased with an original maturity of three months or less are considered to be cash and cash equivalents.

**EXECUTIVE OFFICE OF THE NATIONAL  
ASSOCIATION OF FREE WILL BAPTISTS, INC.**  
**Notes to Financial Statements, continued**

**(1) Summary of Significant Accounting Policies, continued**

**Functional Expenses**

The costs of providing program and other activities have been summarized on a functional basis in statement of activities. These expenses are presented by their natural classification in the statement of functional expenses by individual component of program service and administrative expenses. Administrative expenses are allocated and estimated as follows:

100% of salary and related costs of accounting / administrative assistant, audit and legal, dues and subscriptions, supplies and office expense, payroll processing fee;

10% of Executive Secretary salary and related costs, building rental, depreciation, copier lease and telephone.

**Use of Estimates**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Accounts Receivable**

Accounts receivable are deemed to be fully collectible by management and no reserve is considered necessary.

**Fair Value Measurements**

The carrying value of cash, accounts receivable, accounts payable and accrued expenses approximate fair value because of the short maturity of these instruments. The carrying values of liabilities are not materially different from the estimated fair values of these instruments.

**Contributions, Including Grants**

Contributions received are recorded as net assets without donor restriction or net assets with donor restriction depending on the existence and/or nature of any donor restrictions. Contributions that are restricted by the donor are reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with restrictions are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

**Compensated Absences**

Employees of Executive Office are entitled to paid vacation, paid sick days and personal days off, depending on job classification, length of service and other factors. It is impractical to estimate the amount of compensation for future absences and accordingly, no liability has been recorded in the accompanying financial statements. The policy is to recognize the cost of compensated absences when actually paid to employees.

**Income Taxes**

The Executive Office is exempt from Federal and state income taxes; accordingly, no provision for income taxes is made in the accounts. There is no unrelated business income for 2019 and 2018. Further, management believes that The Executive Office has no activities which will lead to income taxes being levied.

**Equipment**

Equipment are recorded at cost or at fair value as of the date contributed. Expenditures for acquisition of assets in excess of \$500 are capitalized and depreciated over their usable lives on the straight line method. Expenditures for maintenance and repairs, renewals, and betterments that do not significantly extend the useful lives of assets are expensed as incurred.

**Subsequent Events**

Subsequent events have been evaluated for potential recognition and disclosure through April 29, 2020 the date these financial statements were available to be issued.

On March 19, 2020, a national emergency was declared by the President of the United States relating to the COVID-19 virus pandemic. COVID-19 has caused business disruption beginning March 2020 which is expected to be temporary, but the duration of the disruption is uncertain. Therefore, the Executive Office expects the matter to negatively impact its operations. However, the related total financial impact cannot be reasonably estimated at this time. The following summarizes known financial impacts:

The annual national convention scheduled July 2020 in Oklahoma City, Oklahoma has been canceled. The effect on operations cannot be determined. Further, it is unknown if there will be cancellation fees required for hotel and other contracted locations, if deposits will be refunded or the amount of legal fees that may be required to settle the affairs of the 2020 canceled convention. The convention held in 2019 experienced losses of \$85,494. A modified convention will be held in Nashville, Tennessee with only the General Board in attendance.

In order to mitigate the negative impact, the United States has implemented the "Payroll Protection Program" which is a low interest loan program (ultimately may become a grant if conditions are met) to cover two and half months of total payroll costs. The Executive Office has made application to participate in this program with a potential loan amount of approximately \$56,300.

(2) **Liquidity and Availability of Financial Assets**

The following reflects Executive Office's financial assets as of balance sheet dates available for expenditure within one year from the balance sheet date.

	<b><u>2019</u></b>	<b><u>2018</u></b>

**EXECUTIVE OFFICE OF THE NATIONAL  
ASSOCIATION OF FREE WILL BAPTISTS, INC.**

**Notes to Financial Statements, continued**

**(5) Concentration of Credit Risk**

The Executive Office bills the Free Will Baptist denomination with respect to convention planning and other administrative services and has an accounting risk of loss to the extent of these unsecured accounts receivable and funds held by Free Will Baptist Foundation. Further, bank balances in excess of the amount of FDIC insurance are subject to risk of accounting loss. Management does not anticipate nonperformance by the financial institutions.

**(6) Operating Leases**

The Executive Office has entered into noncancelable lease arrangements relating to a copy machine. Total rental expenses amounted to \$5,290 in 2019 and \$4,045 in 2018. Minimum annual payments required amount to \$6,855 in 2020; \$7,036 in 2021 and 2022; and \$1,173 in 2023.

**(7) Commitments for Future Conventions**

Contractual obligations for conventions have been executed into future years. Deposits amounting to \$10,898 in 2019 and \$17,398 in 2018 are recorded as other assets. Additional costs for facilities only and estimated production costs for the next five years are paid in the respective year of the convention as follows:

	<u>Facilities</u>	<u>Production</u>

2024 - Tampa, FL	32,000	100,000
# Auditorium space may be complimentary based on room nights		

**(8) Pension**

The Executive Office participates in the master pension plan of the Board of Retirement and Insurance of the National Association of Free Will Baptists, Inc. The plan is contributory and a contribution of 5% of compensation is made by the Executive Office. Employees may participate at date of employment. Pension expense amounts to \$17,083 in 2019 and \$11,580 in 2018. The pension plan is a defined contribution plan. Under the plan, an account is maintained for each participant and upon retirement the participant can either receive a lump-sum distribution or purchase one of several types of annuity contracts.

**(9) Related Party Transactions**

The denomination began the publication - One Magazine - in 2005 to combine the publications of certain Free Will Baptist agencies and organizations. One Magazine is funded by contributions from each of these agencies and organizations. The Executive Office provided \$120,924 in 2019 and \$118,553 in 2018.

The Executive Office provided support for WNAC (Woman Nationally Active for Christ) in the amount of \$4,683 in 2019 and \$4,953 in 2018.

The Free Will Baptist Foundation held accounts in the amount of \$17,021 in 2018.

The Executive Office provides office space, accounting and certain administrative services at no cost to One Magazine and Building Services Fund of the National Association of Free Will Baptists, Inc.

The Executive Office rents office space from the National Office Building located in Antioch, Tennessee. The lease agreement is cancelable with 90 day written notice. Office lease expense amounted to \$37,365 in 2019 and \$36,170 in 2018. Office rent for 2020 will approximate \$37,700.

The Executive Office provides and maintains The Together Way Plan, a program of giving to support all member agencies of the National Association of Free Will Baptists and other Free Will Baptist organizations. Undesignated giving is shared by member agencies through a predetermined percentage, whereas designated giving is passed through to the intended party. Please see note 10 for detail information relating to this giving program.

**Independent Auditors' Report**

**Executive Committee of the  
General Board of the National  
Association of Free Will Baptists, Inc.**

**Report on the Financial Statements**

We have audited the statements of financial position of the Building Services Fund of the National Association of Free Will Baptists, Inc. (a nonprofit organization) as of December 31, 2019 and 2018, and the related statements of activities and changes in net assets, statements of functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Building Services Fund of the National Association of Free Will Baptists, Inc. as of December 31, 2019 and 2018, and changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**BUILDING SERVICES FUND  
OF THE NATIONAL ASSOCIATION OF  
FREE WILL BAPTISTS, INC.**

**Notes to Financial Statements**

**December 31, 2019 and 2018**

Building Services operates under the auspices of the National Association of Free Will Baptists, Inc., and is governed by a management committee chaired by the Executive Secretary of the National Association of Free Will Baptists, Inc. The management committee is composed of the directors of the Departments which occupy the National Offices Facility.

The purpose of Building Services is to maintain the National Office Facility and to assess rents to Departments that occupy the facility. Further, joint services (i.e. health, disability, auto, workers comp insurance; postage and shipping costs; telephone, etc.) are provided and billed to departments based on their usage.

**(1) Summary of Significant Accounting Policies**

The financial statements of Building Services have been prepared on the accrual basis of accounting.

Building Services implemented ASU 2016-4, Not-for-Profit Entities (Topic 958) - Presentation of Financial Statements of Not-for-Profit Entities with its effective date for the year ended December 31, 2018. As required by generally accepted accounting principles, Building Services reports information regarding its financial position and activities according to two classes of net assets, as applicable:

Net assets without donor restrictions - Net assets not subject to donor imposed stipulations. These funds may be designated for specific purposes by action of the governing body.

Net assets with donor restrictions - Net assets whose use is subject to donor imposed stipulations and / or the passage of time.

Certain amounts in the prior-year financial statements may have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

The amount of each of the classes of net assets are presented in the statements of financial position and the change in each class of net assets is presented in the statements of activities.

**Measure of Operations**

The statement of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to ongoing activities, including investment income. Non-operating activities are limited to resources that generate return from investment, if any, and other activities of a more unusual or non recurring nature.

**Functional Expenses**

The costs of providing program and other activities have been summarized on a functional basis in statement of activities. These expenses are presented by their natural classification in the statement of functional expenses by individual component of program service and administrative expenses. Administrative expenses consist of administration and other general expenses.

**Cash and Cash Equivalents**

For purposes of the statement of cash flows, all cash funds, cash bank accounts and highly liquid debt instruments purchased with an original maturity of three months or less are considered to be cash and cash equivalents.

**Use of Estimates**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**BUILDING SERVICES FUND  
OF THE NATIONAL ASSOCIATION OF  
FREE WILL BAPTISTS, INC.**

**Notes to Financial Statements, continued**

**(1) Summary of Significant Accounting Policies, continued**

**Accounts Receivable**

Accounts receivable are deemed to be fully collectible by management and no reserve is considered necessary.

**Investments**

Investments are recorded at cost if purchased, or at fair value if donated. Thereafter, investments are reported at their values in the statements of financial position, and changes in fair value are reported as investment return in the statements of activities.

Gains and losses on sales of investments are recorded in the statements of activities as realized if sold and as unrealized if measured by changes in market values. Investment earnings are recorded when earned.

**Fair Value Measurements**

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy which gives the highest priority to observable inputs such as quoted prices in active markets for identical assets or liabilities (Level 1), the next highest priority to inputs from observable data other than quoted prices (Level 2) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined as assumptions market participants would use in pricing an asset or liability. All investments are held by related Free Will Baptist entities and are valued at market using Level 2 inputs - see note 3.

The carrying value of cash, accounts receivable, accounts payable and accrued expenses approximate fair value because of the short maturity of these instruments. The carrying values of liabilities are not materially different from the estimated fair values of these instruments.

**Contributions, Including Grants**

Contributions received are recorded as net assets without donor restriction or net assets with donor restriction depending on the existence and/or nature of any donor restrictions. Contributions that are restricted by the donor are reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with restrictions are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

**Compensated Absences**

Employees of Building Services are entitled to paid vacation, sick days and personal days off, depending on job classification, length of service and other factors. It is impractical to estimate the amount of compensation for future absences and accordingly, no liability has been recorded in the accompanying financial statements. Building Services' policy is to recognize the cost of compensated absences when actually paid to employees.

**Income Taxes**

Building Services is exempt from Federal and state income taxes; accordingly, no provision for income taxes is made in the accounts. There is no unrelated business income for 2019 and 2018. Further, management believes that Building Services has no activities which will lead to income taxes being levied.

**Property, Plant and Equipment**

Property, plant and equipment are recorded at cost or at fair value as of the date contributed. Expenditures for acquisition of assets in excess of \$2,000 are capitalized and depreciated over their usable lives on the straight line method. Expenditures for maintenance and repairs, renewals, and betterments that do not significantly extend the useful lives of assets are expensed as incurred.

**Notes to Financial Statements, continued**

**Subsequent Events**

Subsequent events have been evaluated for potential recognition and disclosure through April 29, 2020 the date these financial statements were available to be issued.

On March 19, 2020, a national emergency was declared by the President of the United States relating to the COVID-19 virus pandemic. COVID-19 has caused business disruption beginning March 2020 which is expected to be temporary, but the duration of the disruption is uncertain. Therefore, Building Services expects the matter to potentially negatively impact its operations. However, the related total financial impact cannot be reasonably estimated at this time. The following summarizes known financial impacts:

Market values of the investments held by the Board of Retirement and Insurance of NAFWB are in a loss position of \$15,075 as of March 31, 2020 from its value as reported in these financial statements for 2019. These losses related to changes in market and are not considered to be permanent.

In order to mitigate the negative impact, the United States has implemented the "Payroll Protection Program" which is a low interest loan program (ultimately may become a grant if conditions are met) to cover two and half months of total payroll costs. Building Services has made application to participate in this program with a potential loan amount of approximately \$14,600.

**(2) Liquidity and Availability of Financial Assets**

The following reflects Building Service's financial assets as of balance sheet dates available for expenditure within one year from the balance sheet date.

	<u>2019</u>	<u>2018</u>
<b>Financial assets at end of year:</b>		
Cash in bank	\$ 177,093	415,889
Funds held by Free Will Baptist Foundation	165,937	173,387
Investment in funds held by Board of Retirement and Insurance of the National Association of Free Will Baptists, Inc.	255,421	
Accounts receivable	<u>2,996</u>	<u>28,486</u>
<b>Financial assets available to meet general expenditures the next twelve months</b>	<u>601,447</u>	<u>617,762</u>
<b>Less amount not available to be used within one year:</b>		
Net assets designated for maintenance and building and equipment replacement	24,200	7,415
Funds held in connection with other Free Will Baptist departments	<u>149,135</u>	<u>163,586</u>
Amounts not available to be used within one year	<u>173,335</u>	<u>171,001</u>
Net financial assets available for expenditure within one year	<u>\$ 428,112</u>	<u>446,761</u>

Building Service's goal is to generally maintain financial assets to meet 90 days of operating expenses. Excess cash is invested with related Free Will Baptist entities - see note 3.

**(3) Investments**

Investments are held by the Board of Retirement and Insurance of NAFWB in grouped investment funds. This investment was purchased for a cost \$250,000 and at December 31, 2019 had a market value of \$255,421 which results in a return on investment of a unrealized gain of \$5,421.

See Subsequent Event note above for market value losses related to Pandemic.

**BUILDING SERVICES FUND  
OF THE NATIONAL ASSOCIATION OF  
FREE WILL BAPTISTS, INC.**

**Notes to Financial Statements, continued**

**(4) Funds Held in Connection With Other Free Will Baptist Departments**

Building Services bills other Free Will Baptist organizations for the following purposes and future needs:

	<u>2019</u>	<u>2018</u>
<b>Stewardship promotion</b>		
Accumulated funds to provide material to foster special giving offerings for various other Free Will Baptist organizations	\$ 39,987	33,699
<b>Security training</b>		
Accumulated annual billings totaling \$3,000, net of expenditures, to departments housed in the Free Will Baptist building for the purpose of security training and other related costs	8,204	5,515
<b>Employee health insurance</b>		
Excess billings of monthly premium amounts to departments housed in the National Office Facility to fund health insurance deductibles	100,944	124,372
	<u>\$ 149,135</u>	<u>163,586</u>

**(5) Concentration of Credit Risk**

Building Services holds real property which is used to house certain departments and agencies of the National Association of Free Will Baptists, Inc. Further, Building Services provides group benefit and other services which are billed to the respective departments at the appropriate costs. Certain receivables remain from year to year relating to these aforementioned services. Building Services has an accounting risk of loss to the extent of the balances of these unsecured accounts receivable and funds held by Free Will Baptist Entities. Further, bank balances in excess of the amount of FDIC insurance are subject to risk of accounting loss. Management does not anticipate nonperformance by the financial institutions.

**(6) Pension**

Building Services participates in the master pension plan of the Board of Retirement and Insurance of the National Association of Free Will Baptists, Inc. The plan is contributory and a contribution of 5% of compensation is made by Building Services. Employees may participate at date of employment. Pension expense amounted to \$4,314 in 2019 and \$4,229 in 2018. The pension plan is a defined contribution plan. Under the plan, an account is maintained for each participant and upon retirement the participant can either receive a lump-sum distribution or purchase one of several types of annuity contracts.

**(7) Operating Leases**

Building Services has entered into noncancelable lease arrangements relating to mailing equipment. Total rent expense amounted to \$8,220 for 2019 and \$7,132 in 2018. The minimum annual payments required are \$5,989 for 2020; and \$1,497 in 2021.

**(8) Related Party Transactions**

Building Services rents office space of the National Office Building located in Antioch, Tennessee to various denominational agencies. The lease covers a period of one year, to be renegotiated and renewed by mutual agreement effective January 1 of each year. Each lease agreement is cancelable by either party with a 90 day written notice. Rental income amounted to \$301,575 in 2019 and \$291,925 in 2018; rental income for 2020 will approximate \$304,000.

The Executive Office of the National Association of Free Will Baptists, Inc. provides accounting and administrative services to Building Services at no cost.

Investments for operations are held by the Board of Retirement and Insurance of NAFWB which were valued at \$255,421 at December 31, 2019. See Subsequent Event note on page 8 for discussion of market declines to the the Pandemic.

Free Will Baptist Foundation holds funds for Building Services amounting to \$165,937 in 2019 and \$173,387 in 2018.

**Executive Committee of the  
General Board of the National  
Association of Free Will Baptists, Inc.**

**Report on the Financial Statements**

We have audited the statements of financial position of One Magazine of the National Association of Free Will Baptists, Inc. (a nonprofit organization) as of December 31, 2019 and 2018, and the related statements of activities and changes in net assets, statements of functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of One Magazine of the National Association of Free Will Baptists, Inc. as of December 31, 2019 and 2018, and changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**Notes to Financial Statements**

**December 31, 2019 and 2018**

One Magazine operates under the auspices of the National Association of Free Will Baptists, Inc., and is governed by an oversight committee chaired by the Executive Secretary of the National Association of Free Will Baptists, Inc. The oversight committee is composed of the directors of the Departments which participate in One Magazine.

One Magazine was formed as follows:

At the 2004 convention of the National Association of Free Will Baptists, Inc., approval was given to cease publication of Contact Magazine (the official publication of the Executive Office of the National Association of Free Will Baptists, Inc.) effective December 2004. Approval was also given to begin One Magazine to provide information for the denomination regarding the activities of the various ministries of Free Will Baptists.

Further, effective December 31, 2004, the Executive Office of the National Association of Free Will Baptists, Inc. Contact Magazine division, transferred funds amounting to \$21,000 held by Free Will Baptist Foundation which were designated as Endowment funds.

One Magazine is funded by monthly assessments to certain Free Will Baptist organizations as indicated in note 5.

**(1) Summary of Significant Accounting Policies**

**Basis of Presentation**

The financial statements of One Magazine have been prepared on the accrual basis of accounting.

One Magazine implemented ASU 2016-4, Not-for-Profit Entities (Topic 958) - Presentation of Financial Statements of Not-for-Profit Entities with its effective date for the year ended December 31, 2018. As required by generally accepted accounting principles, One Magazine reports information regarding its financial position and activities according to two classes of net assets, as applicable:

Net assets without donor restrictions - Net assets not subject to donor imposed stipulations. These funds may be designated for specific purposes by action of the governing body.

Net assets with donor restrictions - Net assets whose use is subject to donor imposed stipulations and / or the passage of time.

Certain amounts in the prior-year financial statements may have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

The amount of each of the classes of net assets are presented in the statements of financial position and the change in each class of net assets is presented in the statements of activities.

**Measure of Operations**

The statement of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to ongoing activities, including investment income. Non-operating activities are limited to resources that generate return from investment, if any, and other activities of a more unusual or non recurring nature.

**Functional Expenses**

The costs of providing program and other activities have been summarized on a functional basis in statement of activities. These expenses are presented by their natural classification in the statement of functional expenses by individual component of program service and administrative expenses. Administrative expenses consist of administration and other general expenses.

**Cash and Cash Equivalents**

For purposes of the statement of cash flows, all cash funds, cash bank accounts and highly liquid debt instruments purchased with an original maturity of three months or less are considered to be cash and cash equivalents.

**ONE MAGAZINE  
OF THE NATIONAL ASSOCIATION OF  
FREE WILL BAPTISTS, INC.**

**Notes to Financial Statements, continued**

**(1) Summary of Significant Accounting Policies, continued**

**Use of Estimates**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Accounts Receivable**

Accounts receivable are deemed to be fully collectible by management and no reserve is considered necessary.

**Investments**

Investments are recorded at cost if purchased, or at fair value if donated. Thereafter, investments are reported at their values in the statements of financial position, and changes in fair value are reported as investment return in the statements of activities.

Gains and losses on sales of investments are recorded in the statements of activities as realized if sold and as unrealized if measured by changes in market values. Investment earnings are recorded when earned.

**Fair Value Measurements**

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy which gives the highest priority to observable inputs such as quoted prices in active markets for identical assets or liabilities (Level 1), the next highest priority to inputs from observable data other than quoted prices (Level 2) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined as assumptions market participants would use in pricing an asset or liability. All investments are held by related Free Will Baptist entities and are valued at market using Level 2 inputs - see note 4.

The carrying value of cash, accounts receivable, accounts payable and accrued expenses approximate fair value because of the short maturity of these instruments. The carrying values of liabilities are not materially different from the estimated fair values of these instruments.

**Contributions, Including Grants**

Contributions received are recorded as net assets without donor restriction or net assets with donor restriction depending on the existence and/or nature of any donor restrictions. Contributions that are restricted by the donor are reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with restrictions are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

**Compensated Absences**

Employees of One Magazine are entitled to paid vacation, paid days and personal days off, depending on job classification, length of service and other factors. It is impractical to estimate the amount of compensation for future absences and accordingly, no liability has been recorded in the accompanying financial statements. One Magazine's policy is to recognize the cost of compensated absences when actually paid to employees.

**Income Taxes**

One Magazine is exempt from Federal and state income taxes; accordingly, no provision for income taxes is made in the accounts. There is no unrelated business income for 2019 and 2018. Further, management believes that One Magazine has no activities which will lead to income taxes being levied.

OF THE NATIONAL ASSOCIATION OF  
FREE WILL BAPTISTS, INC.**

**Notes to Financial Statements, continued**

**(1) Summary of Significant Accounting Policies, continued**

**Fixed Assets**

Furniture and equipment are recorded at cost or at fair value as of the date contributed. Expenditures for acquisition of assets in excess of \$500 are capitalized and depreciated over their usable lives on the straight line method. Expenditures for maintenance and repairs, renewals, and betterments that do not significantly extend the useful lives of assets are expensed as incurred.

**Subsequent Events**

Subsequent events have been evaluated for potential recognition and disclosure through April 29, 2020 the date these financial statements were available to be issued.

On March 19, 2020, a national emergency was declared by the President of the United States relating to the COVID-19 virus pandemic. COVID-19 has caused business disruption beginning March 2020 which is expected to be temporary, but the duration of the disruption is uncertain. Therefore, One Magazine expects the matter to negatively impact its operations. However, the related total financial impact cannot be reasonably estimated at this time. The following summarizes known financial impacts:

One Magazine revenues for the year ending 2020 will be decreased through a 15% rebate of budgeted assessments, amounting to approximately \$66,000, to the Free Will Baptist Departments and Agencies that support the magazine.

Market values of the investments held by the Board of Retirement and Insurance of NAFWB are in a loss position of \$63,422 as of March 31, 2020 from its value as reported in these financial statements for 2019. These losses are related to changes in market and not considered to be permanent.

In order to mitigate the negative impact, the United States has implemented the "Payroll Protection Program" which is a low interest loan program (ultimately may become a grant if conditions are met) to cover two and half months of total payroll costs. One Magazine has made application to participate in this program with a potential loan amount of approximately \$15,500.

**(2) Liquidity and Availability of Financial Assets**

The following reflects One Magazine's financial assets as of balance sheet dates available for expenditure within one year from the balance sheet date.

	<b><u>2019</u></b>	<b><u>2018</u></b>
<b>Financial assets at end of year:</b>		
Cash in bank	\$ 101,433	332,297

	<b><u>\$ 367,966</u></b>	<b><u>329,428</u></b>

One Magazine's goal is to generally maintain financial assets to meet 90 days of operating expenses. Excess cash is invested with related Free Will Baptist entities - see note 4.

**ONE MAGAZINE  
OF THE NATIONAL ASSOCIATION OF  
FREE WILL BAPTISTS, INC.**

**Notes to Financial Statements, continued**

**(3) Endowment Funds**

Contributions to the endowment fund are subject to donor restrictions that stipulate the original principal of the gift is to be held and invested indefinitely, and the income earned be expended for the mission of One Magazine. As required by generally accepted accounting principles, net assets associated with the endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

One Magazine is subject to the State Prudent Management of Institutional Funds Act (SPMICA) and, therefore, classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions until appropriated for expenditure. The Board of Trustees have interpreted SPMIFA as requiring maintenance of only the original gift amount contributed to the endowment fund. As a result of this interpretation, One Magazine would consider the fund to be underwater if the fair value of the fund is less than the sum of the original value of the contribution and subsequent gifts donated to the fund. One Magazine has interpreted SPMIFA to permit spending from underwater funds in accordance with prudent measures required under the law. The fund was underwater in 2018. See below.

Investments of endowment funds are held by Free Will Baptist Foundation and are valued using Level 2 inputs (as described earlier) based on fair market valuation. As required by generally accepted accounting principles, the original donor contribution is maintained as net assets with donor restriction. All resulting net accumulated investment gains or losses are maintained separately and included as net assets with donor restrictions. The balances relating to endowment funds are as follows:

	<u>2019</u>	<u>2018</u>
<b>Original donor investment (corpus)</b>	\$ 21,000	21,000
<b>Accumulated gains (losses) on endowment funds</b>	\$ 824	(1,127)
Funds held by Free Will Baptist Foundation for Endowment and net assets with donor restriction	\$ 21,824	19,873

	24,597	24,114
	8,853	8,680
	<u>\$ 443,157</u>	<u>430,954</u>

Revenues are expected to approximate \$380,000 in 2020 (amount budgeted less rebate as discussed in Subsequent Event note on page 8).

**(6) Concentration of Credit Risk**

One Magazine has an accounting risk of loss relating to the amount of funds held by Free Will Baptist Entities and accounts receivable from various Free Will Baptist departments. Further, bank balances in excess of the amount of FDIC insurance are subject to risk of accounting loss. Management does not anticipate nonperformance by the financial institutions.

**(7) Net Assets**

Net assets are as follows for each of the years ended December 31, 2019 and 2018:

	<u>2019</u>	<u>2018</u>

**(8) Related Party Transactions**

One Magazine is funded by assessments to other Free Will Baptist agencies and organizations who provide material of to be published in the magazine. See note 5.

The Executive Office of the National Association of Free Will Baptists, Inc. provides office space, accounting and certain administrative services to One Magazine at no cost.

Endowment investments are held by Free Will Baptist Foundation, as further discussed in note 3 and 4 above. Further the Foundation provided grants for the cost of production of the special Pulpit Magazine of \$15,000 in 2019 and \$14,500 in 2018 - see note 7.

Investments for operations are held by the Board of Retirement and Insurance of NAFWB which were valued at \$264,237 at December 31, 2019. See Subsequent Event note on page 8 for discussion of market declines to the the Pandemic.

Randall House Publications provides printing and related services to One Magazine. For these services, One Magazine expended \$216,172 in 2019 and \$219,591 in 2018.

**(9) Pension**

One Magazine participates in the master pension plan of the Board of Retirement and Insurance of the National Association of Free Will Baptists, Inc. The plan is contributory and a contribution of 5% of compensation is made by One Magazine. Employees may participate at date of employment. Pension expense amounted to \$4,617 in 2019 and \$4,527 in 2018. The pension plan is a defined contribution plan. Under the plan, an account is maintained for each participant and upon retirement the participant can either receive a lump-sum distribution or purchase one of several types of annuity contracts.

## Director's Report

It was the best of times, it was the worst of times

These are the opening lines of Charles Dickens' novel *Tale of Two Cities* and is an appropriate description of this report as I tell of the best year we have ever had and describe what could potentially be our worst year.

### 2019 Financial Overview

- Total assets increased by \$11.5 million the highest increase in assets in our history.
- Two reasons—big increase in Money Management Trust deposits and big stock market increase.
- Net income for 2019 is \$136,510 however it could have been around \$150,000 higher
- We decided to accelerate the depreciation on all our automobiles
- This will reduce expenses for the next two years by more than \$40,000 each year.
- It will also result in an operational capital gain when we sell them.
- We recognized over \$83,000 in cancelations but anticipate less than \$10,000 a year going forward.

### Current Financial Overview

- The Covid-19 crisis has stopped our estate planning ministry in its tracks as of the first week of March.
- We have not made deliveries or presentations since then.
- I have looked at the 2019 income statement and made projections of which expenses will be reduced and which income items will be reduced.
- I have used 150 delivered estate plans as the worst and 175 delivered estate plans as the best we will do in 2020.
- We have 39 delivered with around 61 binders on hand so we are at 100 as soon as we can travel so 150-175 should be doable once we resume seminars again.
- With all these factors in mind I project negative income of between \$30,000 and \$90,000.
- However, we are applying for the second round of PPP loans and hope to get \$115,000 to \$120,000 which would bring our income to \$30,000 to \$90,000.
- We also had a conference call with Timothy Horner an attorney with Warner, Norcross and Judd, LLP in Grand Rapids, MI.
- John Brummitt heard his presentation at a retirement board meeting and recommended we talk with him.
- His opinion is that what we are doing regarding the MMT program for individuals needs some adjustments.
- We need to use a different document instead of a revocable trust. He believes a demand note document will work.
- We also need to register with many of the states we do business in to run this program.
- There are a couple of states we will need to withdraw from due to onerous regulations.

- However, we have no MMTs in one of those states and perhaps only one or two in the other.
- We will simply return their funds in that state.
- Mr. Horner's firm will help us come into compliance with our documents and registrations.
- We hope to complete this in 2020 and start with new documents in 2021.
- I have included a \$40,000 cost in my projections we will also have annual filings in some states that will be an ongoing expense.
- Good news we have actually recently realized a capital gain on a stock we sold that totaled \$161,000.

#### Estate Plans

- We delivered 258 estate plans in 2019 and are approaching a total of 1900 delivered plans year to date.
- The loss is \$429,000 and have already reduced estate planning salaries by around \$35,000 for 2020.
- Obviously, we are way behind in 2020 due to the disruption in travel. We are at 39 but probably would be at almost 100 otherwise.
- We have had only 40 new sign ups through the first two months before we suspended seminars.

#### Grants

- Regular grants were suspended and the board decided to award grants specifically for emergency operation income because of the COVID 19 and limited them to National Departments.
- For 2020 we awarded Welch College \$400,000, Randall House Publications \$100,000 and WNAC \$100,000
- However, we look forward to evaluating and awarding regular grants at a later date.
- Good news the \$161,000 capital gain we generated means we now have a total of \$949,00 in realized capital gains that will be available for grants.
- With the \$600,000 that was awarded in 2020 we still have \$349,000 available for future grants.

#### Budget

- Our proposed budget for 2021 is \$2.264 million and salaries are frozen at 2020 levels.
- This budget has been cut by 8.3%.

#### Loans

- All loans are up to date with no late payments.
- We are allowing all loans to pay interest only through the end of the year.
- Due to the impact of the COVID 19 pandemic Randall House asked for and received a \$1.5 million line of credit

July 22, 2019

The six-month financial report was approved. A motion made to change policy so that realized capital gains from the Money Management Trust pool will be designated by the board for future grants was approved.

December 9, 2019

The Executive Director, Field Director and CFO ten-month financial reports were approved. A report from Mike Wootton, Cornerstone Estate Planning, was heard and received as information. Rules of decorum for the conducting of meetings by email and telephone was approved. The bylaw amendments were executed by the board members present. The code of conduct document was executed by each board member. Investment committee report was approved. A committee was appointed to investigate how the boards of other denominational foundations are elected and how conflicts of interest are addressed. A committee was appointed to design a rubric to evaluate future grant requests. Since more than \$500,000 was available in the grant pool, a motion was made for the grant pool in 2020 to be \$500,000 with the remainder held for future year grants.

January 15

An email meeting was called to order and approved the rubric for future grant applications

April 1, 2020

An email meeting was called to grant an exception to the covenant barring Welch College from pursuing additional loans. This was done to allow Welch to apply for the Small Business Administration PPP loan program. It was approved with the note that Welch could only apply for SBA loans that did not require collateral.

April 30, 2020

The Executive Director, Field Director, and CFO first quarter financial report were approved. The audit was presented and approved. The budget committee report was amended to add \$500,000 for grants in 2021. The Investment committee report was approved, and the following items were approved. Developing an Investment Policy Statement, A process to provide information to the committee before a change in the MMT rate, develop an investment Committee Charter, To allow all loans to have an option to pay interest only from May 1 to the end of the year. Regular grant guidelines were suspended and instead grants were made to provide emergency operating funds for National departments. The following grants were made. Welch College \$400,000, Randall House Publications \$100,000, WNAC \$100,000. The rest of the grant pool will be held for future grants. The board approved a \$1.5 million line of credit for Randall House Publications.

**INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors of the  
Free Will Baptist Foundation, Inc.  
Antioch, Tennessee

I have audited the accompanying financial statements of the Free Will Baptist Foundation, Inc., (a nonprofit organization), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

***Opinion***

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Free Will Baptist Foundation, Inc., as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**FREE WILL BAPTIST FOUNDATION, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2019 AND 2018**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES**

Free Will Baptist Foundation, Inc. (the Foundation) is operated under the auspices of the National Association of Free Will Baptists, Inc.

**Accrual Basis and Financial Statement Presentation**

The financial statements of the Foundation have been prepared using the accrual basis of accounting.

The Foundation classifies its revenue, contributions, expenses, gains, and losses as net assets with donor restrictions or net assets without donor restrictions based on the existence of donor-imposed restrictions.

**Income Taxes**

The Foundation is exempt from federal income tax under section 501(c) (3) of the Internal Revenue Code under a group exemption of the National Association of Free Will Baptist, Inc. In addition, the Foundation has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of 509 (a) of the Internal Revenue Code. There was no unrelated business income for 2019 and 2018.

**Cash and Cash Equivalents**

For purposes of the statements of cash flows, the Foundation considers all cash on hand, deposits in financial institutions and highly liquid debt instruments with an original maturity of three months or less to be cash and cash equivalents.

**Use of Estimates in the Preparation of Financial Statements**

Judgment and estimation is exercised by management in certain areas of the preparation of financial statements. The more significant areas include the collectability of notes receivable and determination of fair value of investments. Management believes that such estimates have been based on reasonable assumptions and that such estimates are adequate. Actual results could differ from those estimates.

**Cost Allocation**

The Board believes that the expenses are properly classified as expended. Accordingly allocation of costs is not required.

**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2019 AND 2018**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES - CONTINUED**

**Investments**

Investments in marketable securities are reported at fair value with gains and losses included in the statements of activities. Investments in marketable securities are valued at current quoted or estimated market value. Nonmarketable investments are carried at cost unless a permanent loss of value has occurred.

**Liabilities to Beneficial Owners**

The Foundation has recorded liabilities for assets they held as trustee, intermediary, custodian or agent for beneficial owners of income or remainder interests. Generally, the Foundation's liability is limited to assets held within a specific trust or account.

**Office Equipment and Automobiles**

Office equipment and automobiles are recorded at cost. Depreciation is provided on the straight-line method over the estimated useful lives of the respective assets, generally 5 years for automobiles and 5 years for equipment.

**2. INVESTMENTS**

A summary of investments at market value and cost is as follows:

This investment income (loss) represents yields of 16.31% and 17.78% based on the average market value and average cost of such investments for 2019.

Total investment income (loss) amounted to (\$2,695,991) for 2018, consisting of investment gains (losses) of (\$4,739,408) and interest and dividends of \$2,043,417 (net of investment fees of \$230,788). This investment income (loss) represents yields of (5.00%) and (5.52%) based on the average market value and average cost of such investments for 2018.

**3. NOTES RECEIVABLE**

Notes receivable consist of loans to other Free Will Baptist organizations. The monthly payment and the length of the note varies and the interest rate on the notes is 4.5%. The notes allow Foundation to declare the entire balance of unpaid principal due immediately if the borrower is more than 90 days late in making any payment. At December 31, 2019 no amounts were past due on any of the loans.

**4. INTEREST BEARING REVOCABLE TRUSTS**

The Foundation maintains revocable trusts which totaled \$66,680,555 and \$60,897,025 at December 31, 2019 and 2018, respectively. The trusts pay interest to the trust beneficiaries. The rate of interest paid is dependent upon the amount of income earned from the related investments. Withdrawal from the accounts, which may require a 7-60 day notice, is without penalty, and the trusts are without maturity.

**FREE WILL BAPTIST FOUNDATION, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2019 AND 2018**

**5. FUTURE GIFTS PAYABLE**

The Foundation maintains charitable trusts amounting to \$2,548,812 and \$2,393,008 and gift annuities amounting to \$921,741 and \$867,374 as of December 31, 2019 and 2018, respectively. These future gift interests pay interest at specified rates ranging from 5.0% to 9.5%.

**6. FUNDS HELD IN TRUST**

The Foundation holds funds in trusts that are subject to restrictions by the donor requiring that the principal, and in certain instances earnings, be invested in perpetuity, and only the income be distributed to the beneficiaries of the endowment. Interest is distributed from the endowments at a rate of 5% annually. As of December 31, 2019 and 2018, the permanently restricted endowment funds totaled \$9,322,623 and \$8,238,855 respectively.

**7. INFORMATION REGARDING FINANCIAL STATEMENTS**

The Foundation has an accounting risk of loss in the areas of cash and cash equivalents and investments to the extent they are not insured or guaranteed by a governmental agency. The Foundation may also be at risk of loss with respect to the market values of other investments. The following table summarizes the Foundation's accounting risk of loss at December 31, 2019 and 2018:

Under the terms of a lease agreement with an affiliate, the Foundation leases 3,105 square feet of office and storage space for \$1.23 (\$1.23 in 2018) per square foot per month. The Foundation shares a portion of the space with the Free Will Baptist Board of Retirement. Total lease payments were \$46,075 and \$46,085 for the years ended December 31, 2019 and 2018, respectively.

**FREE WILL BAPTIST FOUNDATION, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2019 AND 2018**

**10. COMMITMENTS**

The Foundation has a \$20,000,000 line of credit with a local financial institution. The line is secured by the investments of the Foundation and carries an interest rate of the 30 day LIBOR plus 2.25%. This line of credit is open ended and the advances payable were \$-0- and \$-0- at December 31, 2019 and 2018 respectively. During 2019 the Foundation paid \$-0- in interest payments related to borrowings on the line of credit (\$8,959 in 2018).

**11. PENSION PLAN**

The Foundation participates in the master pension plan of the Board of Retirement and Insurance of the National Association of Free Will Baptists. The Foundation contributes to the plan on behalf of its employees. Pension expenses amounted to \$44,482 (\$43,995 in 2018). The pension plan is a defined contribution plan. Under the plan, an account is maintained for each participant and upon retirement the participant can either receive a lump-sum distribution or purchase one of several types of annuity contracts.

The Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic related to Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Board uses the appropriate valuation techniques based on the available inputs to measure the fair value of its investments. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements - The fair value of the investments are based the closing price reported on the active market where the securities are traded.

Level 2 Fair Value Measurements - The fair value of the investments are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly, or indirectly.

Level 3 Fair Value Measurements - The fair value of the investments are based on at least one significant unobservable input.

**13. NOTE RECEIVABLE WELCH COLLEGE**

The Foundation has entered in to two loan agreements with Welch College. The information related to these loans are as follows:

Non-revolving line of credit note of \$15,913,852 from Welch College dated September 22, 2016. This line of credit was amended and increased to the current amount on September, 25 2018. Beginning October 1, 2018 this note is due and payable in monthly payments of \$88,454 due the first day of each successive month with the final payment being due September 1, 2021. These payments include both principal and interest. All remaining principal and interest will become due on October 1, 2021. This note is secured by property owned by Welch College. The balance receivable on this note, including accrued interest, at December 31, 2019 and 2018 was \$15,383,545 and \$15,783,699.

Line of credit note in the amount of \$1,300,000 from Welch College dated May 31, 2011. Interest accrues at a rate of 1.00% over the Wall Street Journal Prime Rate. Interest on the loan began to accrue monthly beginning June 1, 2011. This note was amended and increased to the current amount on July 13, 2017. Interest on the note shall become due on March 30 of each year, beginning on March 30, 2017. All principal and interest will become due and payable on March 30, 2022. This note is secured by an endowment that Welch College has in the Foundation. The balance receivable on this note, including accrued interest, at December 31, 2019 and 2018 was \$959,972 and \$1,341,161.

The note agreements contain a provision that if payment is not made within 15 days of the due date the payment will be subject to the assessment of a late charge.

The interest earned by the Foundation on these notes in 2019 amounted to \$701,555 (\$890,027 for 2018) net of interest paid on its line of credit of \$42,589 (\$71,652 for 2018).

**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2019 AND 2018**

**14. UNCERTAINTY IN INCOME TAXES**

Accounting principals generally accepted in the United States of America require the Foundation's management to evaluate tax positions taken by the Foundation and recognize a tax liability (or asset) if the Foundation has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Foundation's director has analyzed tax positions taken and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Foundation is exempt from filing annual tax returns.

**15. DESIGNATION OF UNRESTRICTED NET ASSETS**

During 2013 the Board voted to establish a realized capital gain's fund for non-operational use as directed by the Board. The balance in the account established with the capital gain proceeds is considered board designated. At December 31, 2019 the balance in the board designated account was \$-0- (\$-0- for 2018).

**16. OTHER RECEIVABLES**

The Foundation records receivables from individuals who have enrolled in their estate planning program. The allowance for doubtful accounts on these balances was \$-0- at December 31, 2019 (\$21,950 at December 31, 2018).

**17. CONCENTRATION**

The notes receivable from Welch College represent 19.30% of the assets of the Foundation.

**18. SUBSEQUENT EVENTS**

Subsequent events have been evaluated by Management through May 2, 2020 which is the date the financial statements were available to be issued.

Subsequent to year end there was a pandemic caused by the COVID-19 virus. As a result there was a significant decrease in the value of the investments. As of the date of the report the Board investments had decreased approximately \$9,200,000.

**INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees of the  
Board of Home Missions of the National  
Association of Free Will Baptists of the  
United States of America, Inc.

I have audited the accompanying financial statements of the Board of Home Missions of the National Association of Free Will Baptists of the United States of America, Inc., (a nonprofit organization), which comprise the consolidated statements of financial position as of December 31, 2019 and 2018, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

***Opinion***

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position the Board of Home Missions of the National Association of Free Will Baptists of the United States of America, Inc., as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Board of Home Missions of the National  
Association of Free Will Baptists of the  
United States of America, Inc.

***Emphasis of a Matter***

As described in Note 1, effective June 1, 2019 the subsidiary that was consolidated into the financial statements of the Board of Home Missions of the National Association of Free Will Baptists of the United States of America, Inc., in 2018 was merged into the Board of Home Missions of the National Association of Free Will Baptists of the United States of America, Inc.

**BOARD OF HOME MISSIONS OF THE  
NATIONAL ASSOCIATION OF FREE WILL BAPTISTS  
OF THE UNITED STATES OF AMERICA, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019 AND 2018**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES**

**Organization and Purpose:**

The Board of Home Missions of the National Association of Free Will Baptists of the United States of America, Inc. is a nonprofit organization affiliated with the National Association of Free Will Baptists located in Antioch, Tennessee. The purpose of the Organization is to establish and support Free Will Baptist Mission churches in the United States (including U.S. Virgin Islands and Puerto Rico) and Mexico. The Organization's support comes primarily from donor contributions.

The Organization is exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code under a group exemption of the National Association of Free Will Baptists, Inc. In addition, the Organization has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of 509(a) of the Internal Revenue Code. There was no unrelated business income for 2019 or 2018.

The following significant accounting policies have been followed in the preparation of the financial statements:

**Basis of Accounting:**

The Organization prepares its financial statements using the accrual basis of accounting, which involves the application of generally accepted accounting principles; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

**Basis of Presentation:**

Financial statement presentation follows the requirements of the Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic related to Presentation of Financial Statements of Not-for-Profit Organizations. Under the FASB Accounting Standards Codification, the Organization is required to report information regarding its financial position and activities as either nets assets without donor restrictions or net assets with donor restrictions.

**Use of Estimates:**

The preparation of financial statements in conformity with generally accepted accounting principles includes the use of estimates that affect the financial statements. Accordingly, actual results could differ from those estimates.

**Investments in Church Extension Loan Fund:**

The organization had investments in the Church Extension Loan Fund. These investments are stated at cost, which approximates market value at December 31, 2019 and 2018.

**Cost Allocation**

The Organization believes that the expenses are properly classified as expended. Accordingly allocation of costs is not required.

**BOARD OF HOME MISSIONS OF THE  
NATIONAL ASSOCIATION OF FREE WILL BAPTISTS  
OF THE UNITED STATES OF AMERICA, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019 AND 2018**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES - CONTINUED**

**Contributions:**

The Organization accounts for contributions in accordance with the requirements of the FASB Accounting Standards Codification Revenue Recognition Topic. In accordance with the FASB Accounting Standards Codification, contributions received are recorded as without donor restrictions or with donor restrictions depending on the existence or nature of any donor restrictions.

All donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

**Property and Equipment and Depreciation:**

The Organization follows the practice of capitalizing, at cost, all expenditures for property and equipment in excess of \$500 and an estimated useful life of at least two years. Depreciation is computed on a straight-line basis over the useful lives of the assets generally as follows.

Automobile	5 years
Office furniture and equipment	3 - 10 years
Equipment and trailers	5 years

The net property and equipment balance has been recorded as a separate component in net assets without donor restrictions.

**Cash Equivalents:**

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

**Inventory:**

Inventory is stated at the lower of cost (first in, first out method) or market. Inventory consists of books, pamphlets, videos, door hangers and various other small items.

**Investments:**

Investments are composed of equity securities and are valued at fair value.

**Emphasis of a Matter**

The prior financial statements were prepared by consolidating the Free Will Baptist Master's Men along with the financial statements of the Organization. On approximately June 1, 2019 Master's Men was merged into the Organization. Accordingly, the financial statements are no longer considered to be consolidated.

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019 AND 2018**

**2. PROPERTY AND EQUIPMENT**

A summary of property and equipment is as follows:

	<b>2019</b>	<b>2018</b>
Land - Puerto Rico	\$ 105,000	\$ 105,000
Automobile	101,232	110,536

Less: Accumulated depreciation	(105,649)	(125,212)
	<u>\$ 247,956</u>	<u>\$ 234,890</u>
 Depreciation for the year	 <u>\$ 41,697</u>	 <u>\$ 46,626</u>

**3. RESTRICTIONS ON NET ASSETS**

Net assets with donor restrictions are available for the following purposes:

	<b>2019</b>	<b>2018</b>
Missionaries	\$ 562,105	\$ 405,847
Build a House program	50,181	50,181
Disaster Relief Program	90,443	104,244
Ridge Church	2,850	2,850
Life Member endowment	101,250	101,250
	<u>\$ 806,829</u>	<u>\$ 664,372</u>

These net assets are restricted due to donor restrictions. They are released when the donor restriction is satisfied.

**4. LEASE**

The Board of Home Missions entered into a lease agreement on October 1, 1990 with the National Association of Free Will Baptists, Inc. for office and storage space. The Organization entered into a new lease agreement on July 1, 2000. The term of the lease was July 1, 2000 to August 31, 2000, then beginning September 1, 2000 the lease became a year to year lease. The rent expense for the years December 31, 2019 and 2018 amounted to \$71,973 and \$64,583.

**BOARD OF HOME MISSIONS OF THE  
NATIONAL ASSOCIATION OF FREE WILL BAPTISTS  
OF THE UNITED STATES OF AMERICA, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019 AND 2018**

**5. RELATED PARTY TRANSACTIONS**

The Board of Home Missions provides office space for and pays the salaries of the employees of a related party, the Church Extension Loan Fund. During the year, the Church Extension Loan Fund paid the Board of Home Missions a management fee of \$740,546 (\$690,000 in 2018) to reimburse the cost of the office space and salaries. The Board of Home Missions has invested money in a demand note of the Church Extension Loan Fund. The balance in this investment at December 31, 2019 and 2018 was \$500,107 and \$320,090 respectively. This investment is uncollateralized. The Board of Home Missions' management constantly scrutinizes the monthly financial statements of the Loan Fund to make sure that the Loan Fund is solvent and to minimize the credit risk of the investment. This investment is short term in nature and the interest can be changed, therefore cost approximates fair value.

**6. CONCENTRATION OF CREDIT RISK**

At December 31, 2019 and 2018, the excess amount over the federally insured limit was \$-0- and \$-0-. The Board has not experienced any losses in such cash deposits and management believes it is not exposed to any significant credit risk related to cash.

The Board also has \$500,107 and \$320,090 invested in a demand note of the Church Extension Loan Fund at December 31, 2019 and 2018 respectively. This note is uninsured.

**7. PENSION PLAN**

The Board participates in the master pension plan of the Board of Retirement and Insurance of the National Association of Free Will Baptists. The Board contributes 5% of gross salary for administrative employees with 5 or more years of service and 2% of gross salary for administrative employees with less than 5 years of service. The Board contributes 2% of gross salary for missionaries on their first mission project and 5% of gross salary for missionaries on their second and all subsequent mission projects. Pension expenses amounted to \$58,334 (\$63,544 in 2018). The pension plan is a defined contribution plan. Under the plan, an account is maintained for each participant and upon retirement the participant can either receive a lump-sum distribution or purchase one of several types of annuity contracts.

**BOARD OF HOME MISSIONS OF THE  
NATIONAL ASSOCIATION OF FREE WILL BAPTISTS  
OF THE UNITED STATES OF AMERICA, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019 AND 2018**

**8. UNCERTAINTY IN INCOME TAXES**

Accounting principals generally accepted in the United States of America require the Board's management to evaluate tax positions taken by the Board and recognize a tax liability (or asset) if the Board has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Board's executive director has analyzed tax positions taken and has concluded that as of December 31, 2019 and 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Board is exempt from filing annual tax returns.

**9. FUNDRAISING EXPENSES**

Fundraising expenses amounted to \$17,955 and \$18,265 for the years ended December 31, 2019 and 2018.

**10. INVESTMENTS**

Investments are stated at fair value and consist of equity securities:

	December 31, 2019		
	Cost	Fair Value	Unrealized Appreciation (Depreciation)
Equity securities	<u>\$ 5,685</u>	<u>\$ 4,201</u>	<u>\$ (1,484)</u>

Investment return is summarized as follows:

**12. FAIR VALUE MEASUREMENTS - CONTINUED**

The Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic related to Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Fund uses the appropriate valuation techniques based on the available inputs to measure the fair value of its investments. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. The Board has no Level 3 investments.

Level 1 Fair Value Measurements - The fair value of the investments are based the closing price reported on the active market where the securities are traded.

Level 2 Fair Value Measurements - The fair value of the investments are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly, or indirectly.

**13. CAPITAL LEASE**

The Board acquired office equipment under the provisions of a long-term lease. For financial reporting purposes, minimum lease payments relating to the equipment have been capitalized and included in property and equipment on the balance sheet. The leased equipment under capital lease as of December 31, 2018, has a cost of \$22,900. The lease agreement provides for minimum annual lease payments of \$7,280.

Future minimum payments under the lease are as follows:

2020	7,280
2021	7,280
2022	7,280
2023	5,462
	<hr/>
	27,302
Less amount representing interest	(8,201)
Present value of net minimum lease payments	<hr/> <hr/>
	\$ 19,101

The depreciation expense related to this office equipment amounted to \$4,580.

**14. ENDOWMENT**

The Organization has an endowment with the Free Will Baptist Foundation. The endowment was established by the Organization for the benefit of the Organization. The Organization has no control over the type of investments in the endowment. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Free Will Baptist Foundation pools its assets for investment purposes. Investment activity is allocated to funds based on the fund's percentage share of the total portfolio. The Organization is invested in the Free Will Baptist Foundation's Endowment Pool.

The Organization has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets with donor restrictions is classified as net assets without donor restrictions until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by SPMIFA. In accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

The Organization has no control over the investments in the endowment. Accordingly, the Organization has not adopted an investment policy related to the endowment.

The income earned on the endowment is distributed to the Organization every six months. The money is spent for the operations of the Organization.

From time-to-time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donors have required the Organization to retain as a fund of perpetual duration. Deficiencies of this nature reported in net assets without donor restrictions are approximately \$5,421 at December 31, 2018. There were no such deficiencies as of December 31, 2019. These deficiencies resulted from unfavorable market fluctuations along with a withdrawal to pay operating expenses in the past.

**INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees of the  
Church Extension Loan Fund, Inc.  
Antioch, Tennessee

I have audited the accompanying financial statements of the Church Extension Loan Fund, Inc., (a nonprofit organization), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

***Opinion***

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Church Extension Loan Fund, Inc., as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**CHURCH EXTENSION LOAN FUND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2019 AND 2018**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES**

**Organization and Purpose:**

The Church Extension Loan Fund, Inc., is a nonprofit organization under the direction of the Board of Home Missions of the National Association of Free Will Baptists of the United States of America, Inc. located in Antioch, Tennessee. The purpose of the Fund is to loan money to Free Will Baptist Churches, primarily Home Mission Churches, for purchase of land and buildings. The Organization's support comes primarily from interest on notes receivable.

The Fund is exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code under a group exemption of the National Association of Free Will Baptists, Inc. In addition, the Fund has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code. The Fund had \$230,789 unrelated business income for 2018 (\$221,588 for 2018).

The following significant accounting policies have been followed in the preparation of the financial statements:

**Basis of Accounting:**

The Fund prepares its financial statements using the accrual method of accounting which involves the application of U.S. generally accepted accounting principles; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

**Basis of Presentation:**

Financial statement presentation follows the requirements of the Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic related to Presentation of Financial Statements of Not-for-Profit Organizations. Under the FASB Accounting Standards Codification, the Fund is required to report information regarding its financial position and activities as either nets assets without donor restrictions or net assets with donor restrictions.

**Use of Estimates:**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles includes the use of estimates that affect the financial statements. Accordingly, actual results could differ from those estimates.

The Organization uses estimates to prepare the allowance for doubtful accounts. This estimate is based on management's experience with the church and the current fair market value of the property. The actual amount may be significantly different from this estimate.

**Cash equivalents**

The Fund considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

**CHURCH EXTENSION LOAN FUND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2019 AND 2018**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES - CONTINUED**

**Cost Allocation**

The Fund believes that the expenses are properly classified as expended. Accordingly allocation of costs is not required.

**Property and Equipment and Depreciation:**

The Fund follows the practice of capitalizing, at cost, all expenditures for property and equipment in excess of \$500 with a useful life of at least two years. Depreciation is computed on a straight-line basis over the useful lives of the assets generally as follows:

Automobile	5 Years
Office equipment	5 Years

The net property and equipment balance has been recorded as a separate component in net assets without donor restrictions.

**2. PROPERTY AND EQUIPMENT**

A summary of property and equipment is as follows:

	<b>2019</b>	<b>2018</b>
Office equipment	\$ 49,387	\$ 55,130
Less: Accumulated depreciation	(49,387)	(55,130)
	<u>\$ -</u>	<u>\$ -</u>

**3. NOTES PAYABLE**

Notes payable consist of 2.5 - 4% (2.5 - 4% in 2018) unsecured demand notes from individuals and churches. The proceeds of these notes are then loaned to churches to help them purchase land and buildings. The Board of Trustees changes the interest rates on these notes payable as other interest rates change.

**4. RELATED PARTY TRANSACTIONS**

The Fund paid the Board of Home Missions of the National Association of Free Will Baptists, Inc. a management fee of \$740,545 (\$690,000 at December 31, 2018) to reimburse the Board of Home Missions for salary, rent and other expenses paid by the Board. The Fund had accounts payable to the Board of Home Missions in the amount of \$-0- (\$-0- at December 31, 2018).

Several directors and trustees were invested in the Church Extension Loan Fund's notes payable described in Note 3 at December 31, 2019. The interest rate paid on these notes was based on the balance of the account as prescribed by the program guidelines.

**CHURCH EXTENSION LOAN FUND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2019 AND 2018**

**5. DESIGNATED CONTRIBUTIONS**

The designated contributions are amounts given to the "Build My Church" program. The monies given to this program are loaned to churches in the same manner that other funds are loaned to churches. The total amount given for the first phase of the Build My Church program, called the Richard Adams Fund, has reached \$1,000,000. In accordance with the provisions of the program payments totaling \$40,000 (\$40,000 at December 31, 2018) were made during the year to the land funds of two Home Mission's Churches from the interest earned on loans made with Build My Church contributions. The second phase of the Build My Church program called the Roy Thomas Memorial Fund has also reached \$1,000,000. The interest earned from the loans made with the money given through the Roy Thomas Memorial Fund will be used to assist the Home Missions General Fund. Additionally, as revocable and irrevocable trusts mature the balance in certain trusts become designated contributions. The amount of such trusts that had matured at December 31, 2019 was \$187,750 (\$187,750 at December 31, 2018).

**6. CONCENTRATION OF CREDIT RISK**

The Fund maintains cash deposits in excess of the federally insured amount of \$250,000. At December 31, 2019, the excess amount over the federally insured limit was \$934,904 (\$3,144,532 in 2018). The Fund has not experienced any losses in such cash deposits and management believes it is not exposed to any significant credit risk related to cash.

The Board had \$2,192,511 (\$1,114,187 at December 31, 2018) invested with the Free Will Baptist Foundation, Inc. at December 31, 2019.

**7. CONCENTRATION**

Included in notes receivable at December 31, 2019 are twenty-three loans which total \$44,876,711 (nineteen which total \$37,586,203 in 2018). This balance represents 60.20% (54.66% in 2018) of total notes receivable.

Notes payable include twenty-six notes which total \$24,363,486 or 32.76% (twenty-four notes which total \$22,448,342 or 31.94% in 2017) of total notes payable.

**8. IRREVOCABLE TRUSTS**

Seven irrevocable charitable remainder trusts pay interest at 6-9% per year. The principal of these trusts was used to make mortgage loans. Interest expense for the year ended December 31, 2019 amounted to \$101,206.41 (\$100,517 at December 31, 2018).

**CHURCH EXTENSION LOAN FUND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2019 AND 2018**

**9. UNCERTAINTY IN INCOME TAXES**

Accounting principals generally accepted in the United States of America require the Organization's management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Organization's executive director has analyzed tax positions taken and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization is exempt from filing annual tax returns. For several years the Organization filed a form 990-T. Management believes that only the returns filed for to the years ended December 31, 2017 through 2019 are subject to examination.

**10. DESIGNATION OF NET ASSETS WITHOUT DONOR RESTRICTIONS**

In prior years the Board designated a monthly amount of net assets without donor restrictions for contingencies. The balance in the Board designated account at year end was \$-0- (\$-0- at December 31, 2018).

**11. INVESTMENT - THE FREE WILL BAPTIST FOUNDATION**

The Fund is invested in a trust established and maintained by the Free Will Baptist Foundation. The Foundation invests these type of trusts in debt and equity securities and values the trusts at fair market value.

A summary of investments in the Foundation are as follows:

	<b>2019</b>	<b>2018</b>
Investment in the Free Will Baptist Foundation	\$ 2,192,511	\$ 1,114,187
Income earned on the trust	\$ 78,324	\$ 56,360

**12. INVESTMENT - THE FREE WILL MINISTRIES PARTNERSHIP**

The Fund is invested in the Free Will Baptist Ministries Partnership. The partnership owns land adjacent to Welch College.

A summary of investments in the Foundation are as follows:

	<b>2019</b>	<b>2018</b>
Investment in the FWB Ministries Partnership	\$ 750,000	\$ 750,000
Income earned on the partnership	\$ -	\$ -

**CHURCH EXTENSION LOAN FUND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2019 AND 2018**

**13. FAIR VALUE MEASUREMENTS**

The Fund's investments are reported at fair value in the accompanying statement of net assets available for benefits.

Fair Value Measurements at December 31, 2019			
	Fair Value	(Level 1)	(Level 2)
Investment in the FWB Foundation	\$ 2,192,511	\$ 2,146,069	\$ 46,442
Invest. in the FWB Ministries Partnership	750,000	-	750,000
	<u>\$ 2,942,511</u>	<u>\$ 2,146,069</u>	<u>\$ 796,442</u>
Fair Value Measurements at December 31, 2018			
	Fair Value	(Level 1)	(Level 2)
Investment in the FWB Foundation	\$ 1,114,187	\$ 1,069,030	\$ 45,157
Invest. in the FWB Ministries Partnership	750,000	-	750,000
	<u>\$ 1,864,187</u>	<u>\$ 1,069,030</u>	<u>\$ 795,157</u>

The Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic related to Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Fund uses the appropriate valuation techniques based on the available inputs to measure the fair value of its investments. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements - The fair value of the investments are based the closing price reported on the active market where the securities are traded.

Level 2 Fair Value Measurements - The fair value of the investments are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly, or indirectly.

Level 3 Fair Value Measurements - The fair value of the investments are based on at least one significant unobservable input. There were no Level 3 investments.

**CHURCH EXTENSION LOAN FUND, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2019 AND 2018**

**14. NOTES RECEIVABLE**

The Fund loans money to Free Will Baptist Churches, primarily Home Mission Churches, for the purchase of land and buildings. Each church is required to give a first mortgage on the property or sign a deed of trust. Principal and interest on the loans is payable monthly at 6.5% (6.5% in 2018) over a fifteen to twenty year period except for churches still under construction which are required to pay interest only. The Board of Trustees changes the rate on these notes receivable as other interest rates change. The carrying value of these loans approximates market value. The churches are located throughout the United States.

Notes are stated at unpaid principal balances, less an allowance for doubtful accounts. Management considers most of the notes receivable to be fully collectible. However, there are several notes that management feels it will have trouble collecting. Accordingly, an allowance for doubtful accounts of \$881,793 (\$937,038 in 2018) has been recorded. This allowance is based on managements experience with the church and the current fair market value of the property.

The Fund's practice is to charge off a note with the approval of the Board of Directors when there is no chance of collection either from the borrower or by disposition of the property.

There were no changes in the Fund's accounting policies during the period. There have been no purchases, sales or reclassifications of notes receivables.

Activity in the allowance for doubtful accounts is as follows:

	<b>2019</b>	<b>2018</b>
Beginning balance	\$ 937,038	\$ 937,038
Loan written off	-	-
Current year provision	(55,245)	-
Ending balance	<u>\$ 881,793</u>	<u>\$ 937,038</u>

Management of the Fund reviews each loan balance where the Church is past due and having difficulty making payments. Based on this assessment and the value of the property an estimate is made of the amount, if any, it believes will not be collected.

The ending balance in the allowance for doubtful accounts is attributed to notes evaluated individually as follows:

	<b>2019</b>	<b>2018</b>
Loans evaluated individually	<u>\$ 881,793</u>	<u>\$ 937,038</u>

The ending balance of notes evaluated individually as follows:

	<b>2019</b>	<b>2018</b>
Loans evaluated individually	<u>\$ 5,203,804</u>	<u>\$ 14,887,324</u>

**15. IMPAIRED LOANS**

A note is considered impaired when, based on currently available information, it is probable that Fund will not collect all of the principal and interest due on the note. The notes receivable and allowance for doubtful accounts included one note that is considered impaired.

Impaired notes are considered nonperforming and, consequently, interest income is only recognized on these loans when actually received from the borrower. The interest received on the impaired loans for the year ended December 31, 2019 was \$-0- (\$-0- for 2018).

The following tables provide informative data at December 31, 2019 and 2018 and for the years then ended on whether or not management had recognized an allowance for a doubtful account with respect to the impaired loan.

Impaired loan for which an allowance for doubtful accounts has been recognized Notes receivable	December 31, 2019			For the Year Ended December 31, 2019

**16. AGE AND INTEREST ACCRUAL STATUS OF NOTES RECEIVABLE**

The following table presents informative date of notes receivable regarding their age and interest accrual status at December 31, 2019. The amount shown as past due represent the total amount of loans in each category that have past due amounts.

	Current	30-59 Days	60-89 Days	90 Days or Greater	Total Past Due	Total Financing Receivables	Financing Receivables	
							Total Financing Receivables on Nonaccrual Status	Past Due 90 Days or Greater and Still Accruing Interest

There is one note in the nonaccrual status column where property is being rented to a church under a rent to own agreement. All of the payments had not been made at year end under these agreements. Accordingly, they are included in the past due amounts.

### **North American Ministries/Master's Men**

#### **Kenneth W Akers, Director**

It's hard to believe that for almost twenty years, God has provided me the opportunity to serve him through the ministry of The Master's Men!

I started 2019 in much the same way as I have for the past nineteen years, by attending men's retreats. More men's retreats were attended throughout the year. It is an honor to be able to fellowship with our men this way.

In January, I also had the opportunity to be part of the North American Ministries Pastors Boot camp.

In March, we were able to host the Denominational Men's Ministry Leaders annual meeting. This group gets together and shares ministry ideas. Over a dozen denomination leaders attend each year.

I was able to attend several state meetings throughout the year representing Master's Men.

We again hosted our Deep South Golf Tournament in Albany, GA in April and our National Golf Tournament in Nashville in September.

I had the privilege of attending the Samaritan's Purse disaster training in April.

In July, we worked again at our National Convention by coordinating IMPACT and the convention ushering.

In August, we led a small group to assist our church planters in St. Croix, U.S.V.I, with a construction project.

We were able to participate in several other ministry conferences and meeting during the year.

Because of having local groups step-up, we did not mobilize our Disaster Response Teams nationally. We are so grateful for the men and women that respond during these difficult times.

We look forward to being able to assist our churches in motivating and encouraging their men to be the Master's men.

Kenneth W Akers, Director of The Master's Men

PREPARING FOR FUTURE MINISTRY

## BOARD OF RETIREMENT JOHN BRUMMITT, PRESIDENT AND CEO

Habakkuk 3:17-18 "Though the fig tree should not blossom, nor fruit be on the vines, the produce of the olive fail and the fields yield no food, the flock be cut off from the fold and there be no herd in the stalls, yet I will rejoice in the LORD; I will take joy in the God of my salvation."

YEAR IN REVIEW

The 50<sup>th</sup> year of the Board of Retirement and Insurance was one for the record books. Our office set an all-time enrollment record of 183 new enrollees for 2019, beating our previous record of 125 set in 2017. We have seen explosive growth in the last four years, but we will be limited by the growth of our denomination moving forward. With our denomination in contraction, we will most likely hit a wall for yearly enrollees. Still, we are looking into some creative solutions for the continued growth of the denomination and the plan.

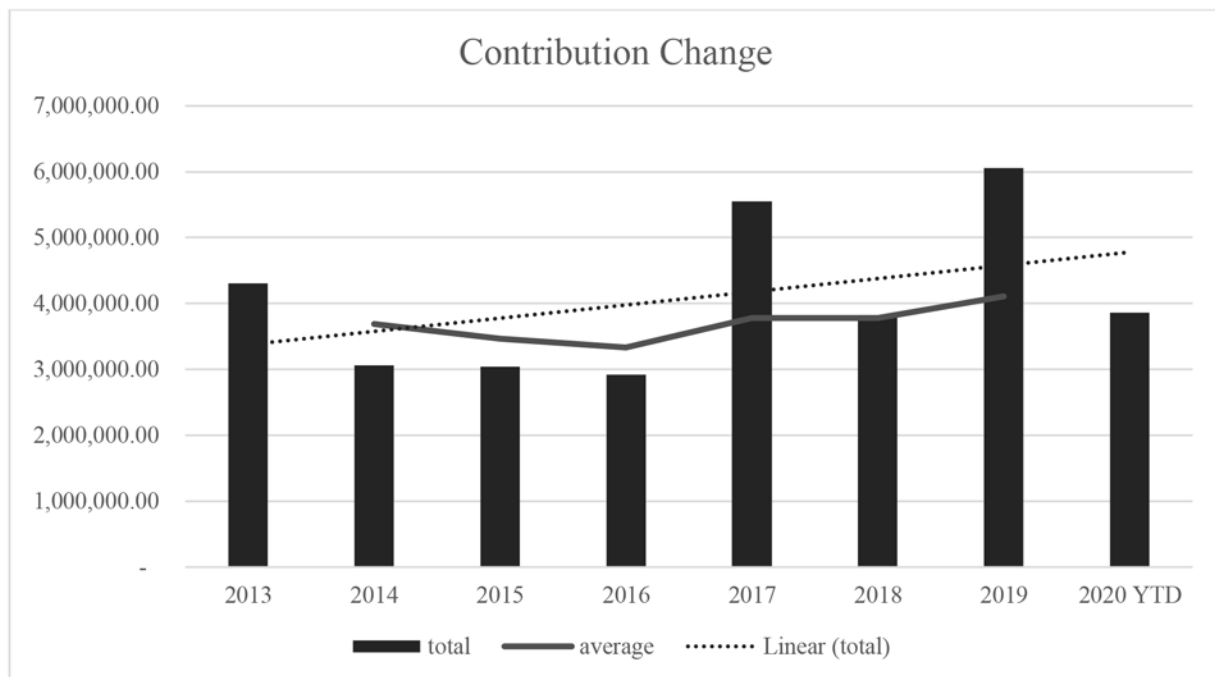

We also set a record in new contributions in 2019. Total contributions for 2019 exceeded \$6MM in new funds into the plan, the bulk of which came in contributions from participants. We have adjusted a lot of our educational pieces and outreach to participants in 2018-19 to make sure our participants understand the importance of making appropriate levels of contributions to build their account balances to reach retirement readiness. We will continue this push in 2020 with the addition of recordkeepers to enhance our participants saving rates so that more of our participants are adequately prepared for their future ministry.

	2016	2017	2018	2019	2020*
<b>ENROLLMENTS</b>	124	125	123	183	15
<b>CONTRIBUTIONS</b>	\$2,441,646.47	\$3,716,839.10	\$2,961,546.34	\$4,008,889.37	\$ 1,812,736.90
<b>INSTITUTIONAL</b>	N/A	\$1,835,000.00	177,040.72	1,859,604.76	2,051,320.00
<b>TOTAL</b>	\$2,441,646.47	\$5,551,839.10	3,138,587.06	6,060,209.37	3,864,056.90

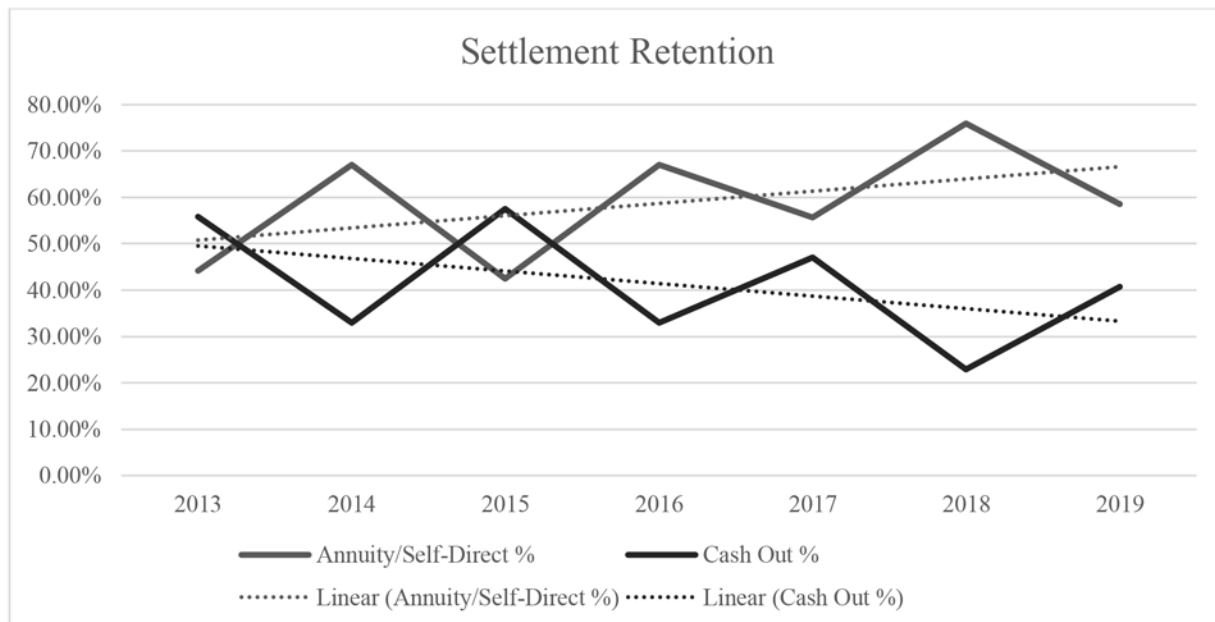

\*As of 04/27/2020

We have enhanced most of our messaging to churches and employer groups to help improve benefits to employees. We saw a good increase in the number of employer groups in 2019 that either started an automatic contribution or some percentage of employer match for employees. We also saw an increase in churches asking for suggestions for benefits and pay package structure for pastors and employees. We are praying this continues, and we can help our denomination better care for its employees.

*"Coming together is a beginning; keeping together is progress; working together is success." – Henry Ford*

While individual contributions were up, we also saw a good increase in our Institutional Investment program in 2019 with us adding \$1.8MM. Institutional Investments allow several opportunities to reduce costs and expand services to our retirement participants while at the same time benefiting the institutions with investments increase the rate of return on funds institutions are setting aside for future ministry of the organization.

Our settlement retention held steady in 2019, with over 50% of all settlements going into our Annuity Pool and Self-Directed options. While this did decrease from 2018, participants always have the ability to choose what settlement option best fits their retirement needs and plans. We are still seeing our larger accounts pick

longer-term payout options, which is the goal of our office: for participants to build accounts that can sustain them throughout their retirement years.

In the plan sponsor world (employer sponsors of 401(k) and 403(b) plans), a lot of interest has been generated in the last two years for sponsors to provide payout/lifetime income to participants. These payout options are something the Board of Retirement has been offering since the 1980s. Others are now seeing the benefit of caring for employees, not only during their working careers but also in their retirement years as well. These options are a massive benefit for our FWB employees, and with the addition of housing allowance for ordained ministers, make our product unmatched in the open market for our people.

## INVESTMENTS

*"The secret of getting ahead is getting started." – Mark Twain*

2019 was also a big year when it came to our investments. With the bull market running into its eleventh year, it pushed participant earnings into the double digits.

<b>2019</b>	<b>Yearly Return</b>	<b>3 Year</b>	<b>5 Year</b>	<b>10 Year</b>	<b>20 Year</b>	<b>LTD</b>
<b>Default</b>	19.613%	9.191%	4.602%	6.263%	4.863%	7.177%
<b>Conservative</b>	8.898%	4.521%	2.604%	3.522%		3.522%
<b>Moderate</b>	20.129%	8.185%	4.282%			4.254%
<b>Maximum</b>	26.365%	14.818%	7.577%			9.038%
<b>Discipline Value*</b>	24.664%	10.01%				10.017%

The first half of 2020 has become more volatile with the COVID-19, the shutdown has caused significant disruptions in the markets and the economy. We are still striving to navigate the market to get our participants the best returns during the uncertainty.

Changes in markets work in cycles. Since COVID-19 ended one of the longest bull runs in the markets, we are working through the cycle again now. While no one likes seeing downturns in the markets or how it affects their account, it is essential to remember that without these corrections and bear markets, the opportunity for growth during bull markets and expansion in the market is diminished. Corrections like these are critical to the overall growth of your retirement portfolios.

## EXPANSION OF SERVICE

In 2019, we started the selection process of hiring a recordkeeper to enhance our participants' retirement accounts. The final selection came to Northwest Plan Services. While most of the additions to the plan will be behind the scenes for the participants, the enhancement will be most noticeable in the online access.

## NWPS

Northwest Plan Services comes highly recommended by other denominational retirement church plans, which have been highly satisfied with the results NWPS has been able to provide them.

NWPS will enhance what our participants will be able to see and learn through their online account access. Also, it will add an extra layer of protection for our participants with cybersecurity—additional security for our participants is essential in an ever-growing environment of cybercrimes.

NWPS will also assist with compliance issues that the IRS requires for church plans such as annual testing for Non-QCCO, auto-enrollment requirements for each employer group, as well as keeping employers notifications to employees as part of the enhancement from our office. Currently, the individual churches and employer groups would be required to do this on their own.

The addition to our plan will also add new technology applications like being able to strike a daily value for the account and speed up the processing time for investment changes and withdrawals from their accounts. It will also add an enhanced look and feel to their accounts, giving participants access to retirement readiness scores and helping them stay on track with their retirement planning.

This addition will allow our participants enhancements in retirement planning and prepare them further for their future ministries.

## FINANCIAL EDUCATION

In 2019, we launched the first conference this office has ever hosted. We met over two days in Nashville with ministers and their spouses as we discussed financial and leadership topics that will help them in their ministries moving forward as well as the denomination as they set into leadership roles. We received such positive feedback and requests to please continue to provide this resource to the denomination.

# re:invest

## C O N F E R E N C E

This conference is becoming more of a joint effort of all the National Agencies. Each National department partnered with us to help put on this conference providing resources, speakers, and meals for the attendees. We are striving to make the cost of this conference zero. It will remain an invitation-only event so that we can control cost, but also allows us to work directly with state leaders to help identify the next generation of denominational leadership, as we did with the 2019 conference. The focus will be on training in finance and the leadership responsibilities that are many times overlooked when taking on a leadership role. For example, a new minister becomes a lead pastor in a state; he then is elected to serve in his local association,

and on a committee at the state level. While he can handle the responsibility, the committees that he was asked to serve on he has no background or experience. He could bring significant value to the committee, but without the confidence and knowledge, most likely, no real change will happen. The only way to address this is through training and exposure that is needed to allow them to be fruitful in this new area they

have been asked to serve. The Reinvestment conference is simply that reinvesting in these new leaders or future leaders to help build their confidence and exposure to some of the challenges that they will face during their careers. Gaining this exposure and training will benefit our denomination as well as their personal ministries.

While we are still planning to host this conference in the fall, we are still monitoring the COVID-19 outbreak and will adjust if needed to protect the attendees and speakers.

## GETTING STARTED

The majority of Americans don't start saving for their future until later in life, causing us to have a retirement crisis here in the U.S. Many people sacrifice their future needs for their present wants. This is not the model that we have been instructed to follow. In Proverbs 6:6-8, we are taught to look to the ant and consider her ways and be wise. She prepares herself for all seasons by putting back a little from her labor. We are told this is wise. Board of Retirement was created over 50 years ago to give Free Will Baptists a vehicle in which we could accomplish this preparation. The longer you put off preparing for the future, the harder it becomes to be prepared. Our vision is that every Free Will Baptist employee, church, and church agency be prepared for the future ministry God has for them. It doesn't happen overnight, and it will not happen without work, but starting as soon as possible and being consistent in your contributions will make all the difference. We are here to help. Contact our office and get started today.

## Synopsis of Board Meetings 2019

### Board of Retirement

#### **March 25, 2019**

All board members were present except for Randy Wilson. Several reports were presented and approved including: Director's Report, Financial Report, Auditor's Report, and Proposed Budget.

Several motions were made and carried:

1. Give 8% increase to annuity participants
2. Contract UBS as Investment Consultants
3. Retain Joel Collum as auditor
4. Continue to allow 100% of annuity to count as housing
5. Elect Danny Baer as Chairman, Ron Barber as Vice Chairman, Rick Dement as Secretary, and Larry Clyatt as Assistant Secretary for 2019-2020

The Board was given an updated copy of the Board Member Handbook to look over in order to create a final copy. The FWB Foundation grant that the Board of Retirement received was also discussed: the funds were used to 1.) Create a partnership with the Evangelical Council for Financial Accountability (ECFA) to provide financial resources, and 2.) Create the Reinvest Conference in order to train and equip the next generation for financial, relational, and denominational responsibilities.

#### **December 10, 2019**

All board members and staff were present.

The Director's Report and Financial Report were both presented and approved.

There was discussion by the Board on the topics of: the results of the Reinvest Conference that happened October 2019, plans for hiring a recordkeeper at the first of the year in 2020, and the election of new board members Don Myers and Lance Boyer to their respective BOR committees.

**INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees of the  
Board of Retirement and Insurance of the  
National Association of Free Will Baptists, Inc.

I have audited the accompanying financial statements of the Board of Retirement and Insurance of the National Association of Free Will Baptists, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Opinion**

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Board of Retirement and Insurance of the National Association of Free Will Baptists, Inc. as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**BOARD OF RETIREMENT AND INSURANCE OF  
THE NATIONAL ASSOCIATION OF FREE WILL BAPTISTS, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019 AND 2018**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES**

**Organization:**

The Board of Retirement and Insurance of the National Association of Free Will Baptists, Inc. (the "Board") is operated under the auspices of the National Association of Free Will Baptists, Inc. The purpose of the Board is to maintain contributory retirement accounts for licensed or ordained ministers, Free Will Baptist missionaries and lay employees of churches, schools and Free Will Baptist agencies. The Board maintains this retirement pension plan pursuant to Section 403(b)(9) of the Internal Revenue Code of 1986, which is an exempt church plan under the provisions of the code.

The plan was amended and restated effective January 1, 2015 to allow Roth contributions to the plan. Additionally, effective January 1, 2019 the plan was updated to comply with the new tax law.

**Eligibility:**

A person is eligible to participate if they work at least 20 hours per week for an eligible employer that has agreed to participate in the Plan. An eligible employer includes any church or agency that is participating cooperatively with the National Association of Free Will Baptists. In addition, Free Will Baptist ministers who are evangelists or otherwise self-employed and spouses of Free Will Baptist International missionaries are eligible to participate in the Plan without regard to the number of hours worked in a week.

**Contributions:**

Under the terms of the retirement pension plan which the Board maintains, contributions may be made to the Plan through employer contributions, employee elective contributions (salary reduction contributions and roth contributions), after-tax contributions and rollover and transfer contributions. Total employer contributions, employee elective contributions and after-tax contributions that may be made for a participant in any year shall not exceed the limits imposed by IRS Code Sections 402(g), 403(b) and 415. These limits include special "catch-up" amounts after age 50.

**Participant accounts:**

Each participant's account is credited with contributions made by and on behalf of the participant. Allocations of Plan earnings are based on account balances on the last day of each month. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

**BOARD OF RETIREMENT AND INSURANCE OF  
THE NATIONAL ASSOCIATION OF FREE WILL BAPTISTS, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019 AND 2018**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES - CONTINUED**

**Payment of benefits:**

On retirement, death, disability or separation from employment, participants may receive payments of their individual vested account balances based on options and provisions as defined in the Plan. Benefits are recorded when paid.

**Vesting:**

All contributions to the plan are 100% vested.

**Termination of the plan:**

Although it has not expressed any intent to do so, the Board has the right under the Plan with the approval of the Association, to terminate the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

**Accrual Basis and Financial Statement Presentation:**

The financial statements of the Board have been prepared on the accrual basis of accounting.

The Board classifies its revenue, expenses, gains, and losses as net assets with donor restrictions or net assets without donor restrictions based on the existence of donor-imposed restrictions.

**Income Taxes:**

The Board is exempt from income taxes; accordingly, no provision for income taxes has been made in the accompanying financial statements.

**Investments:**

Investments in marketable securities are reported at fair value with gains and losses included in the Statements of Activities and Changes in Net Assets. Investments in marketable securities are valued at current quoted or estimated market value. Non-marketable investments are carried at cost unless a permanent loss of value has occurred.

**Office Furniture, Equipment and Automobiles:**

The Board follows the practice of capitalizing, at cost, all expenditures for office furniture, equipment and automobiles in excess of \$10,000. Depreciation is provided on the straight-line method over the estimated useful lives of the respective assets, generally 5 years for automobiles and 5 – 10 years for furniture and equipment.

**Cost Allocation**

The Board believes that the expenses are properly classified as expended. Accordingly allocation of costs is not required.

THE NATIONAL ASSOCIATION OF FREE WILL BAPTISTS, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019 AND 2018**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES - CONTINUED**

**Cash and Cash Equivalents:**

For purposes of the statements of cash flows, the Board considers all cash on hand, deposits in financial institutions and highly liquid debt instruments with an original maturity of three months or less to be cash and cash equivalents.

**Uses of Estimates in Preparation of Financial Statements:**

Judgment and estimation is exercised by management in certain areas of the preparation of financial statements. The more significant areas include the collectability of notes receivable, the determination of fair value of investments, and the recovery period for office furniture, equipment and automobiles. Management believes that such estimates have been based on reasonable assumptions and that each estimate is adequate. Actual results could differ from those estimates.

**Pension Plan:**

The Board contributes to this Plan on behalf of its employees. Contributions for 2019 amounted to \$16,298 (\$15,522 for 2018).

**2. OFFICE FURNITURE, EQUIPMENT AND AUTOMOBILES**

A summary of office furniture, equipment and automobiles is as follows:

For 2018, total investment gain (loss) relating to marketable securities and instruments amounted to (\$1,511,637) and consisted of investment gains (losses) of (\$2,255,117) and interest and dividends of \$743,480 (net of investment fees of \$513,435). Investment income (loss) represented yields of (2.45%) and (2.62%) based on the average market value and average cost of such investments.

**5. LEASE**

Under the terms of a lease agreement with an affiliate, the Board leases 2,324 square feet of office and storage space for \$1.18 (\$1.23 in 2018) per square foot per month. The Board shares a portion of the space with the Free Will Baptist Foundation. Total lease payments were \$32,809 and \$34,244 for the years ended December 31, 2019 and 2018, respectively.

**BOARD OF RETIREMENT AND INSURANCE OF  
THE NATIONAL ASSOCIATION OF FREE WILL BAPTISTS, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019 AND 2018**

**6. ANNUITIES PAYABLE**

Upon attaining retirement age, the retiree has the option, among others, to convert his participant account into an annuity to provide retirement benefits over his remaining life. The periodic benefit is calculated based on mortality tables considering life expectancy. As of December 31, 2019 and 2018, the recorded liability amounted to \$12,764,446 and \$12,856,525 respectively. The Board uses the Mortality Table 2012 IAM. Using this mortality table the actuary has determined that the current periodic benefit exceeded the reserve account at December 31, 2019 by \$1,469,341 (the reserve account exceeded the current periodic benefit by \$1,469,341 at December 31, 2018). Management will not request a pension benefit increase for 2020.

**7. INFORMATION REGARDING FINANCIAL INSTRUMENTS**

The Board has an accounting risk of loss in the areas of cash and cash equivalents, investments and notes receivable to the extent cash funds are not insured by a governmental agency, or notes receivable and investments are not secured by mortgages or guaranteed by the United States Government.

The following table summarizes the Board's accounting risk of loss as of December 31, 2019 and 2018:

The Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic related to Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Board uses the appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Board measures fair value using Level 1 inputs because they provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements - The fair value of the investments are based the closing price reported on the active market where the securities are traded.

Level 2 Fair Value Measurements - The fair value of the investments are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly, or indirectly.

Level 3 Fair Value Measurements - The fair value of the investments are based on at least one significant unobservable input.

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019 AND 2018**

**9. CAPITAL LEASE**

The Board acquired office equipment under the provisions of a long-term lease. The lease agreement provides for minimum annual lease payments of \$4,679.

Future minimum payments under the lease are as follows:

2020	\$ 4,679
2021	4,679
	<hr/> 9,358
Less amount representing interest	<hr/> (1,709)
Present value of net minimum lease payments	<hr/> <hr/> \$ 7,649

The depreciation expense related to this office equipment amounted to \$2,555.

The imputed interest included in the payments for this equipment amounted to \$1,860.

**10. RELATED PARTY TRANSACTIONS**

The employees of the Board and eligible members of the Board of Directors participate in the retirement plan described in Note 1. A contributory pension plan is maintained for all of the employees and Directors that participate. Contributions are made to these pension plans and earnings are allocated to these plans in accordance with the provisions of the plan.

**11. UNCERTAINTY IN INCOME TAXES**

Accounting principals generally accepted in the United States of America require the Organization's management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Organization administrator has analyzed tax positions taken and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization is exempt from filing annual tax returns.

**12. SELF-DIRECTED LIABILITY**

Retirees who do not elect to participate in the annuity program can elect to participate in a self-directed plan where they can choose to receive benefits over a certain period of time or receive a certain amount each month. In order to comply with IRS regulations the Organization transferred money to a specific investment account for this program and transferred \$3,236,125 from net assets available for participants to the self-directed liability to establish the liability for retirees already participating.

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019 AND 2018**

**13. INSTITUTIONAL INVESTING PROGRAM**

The Board provides Free Will Baptist churches and church organizations with the opportunity to manage their assets for growth and development of their ministries by investing in the Board's institutional investing program. The funds are invested in the Board's investment account based on the investment strategy selected by the investing church or church organization.

**14. ENDOWMENT**

The Board has an endowment with the Free Will Baptist Foundation. The endowment was established by the Board for the benefit of the Board. The Board has no control over the type of investments in the endowment. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Free Will Baptist Foundation pools its assets for investment purposes. Investment activity is allocated to funds based on the fund's percentage share of the total portfolio. The Board is invested in the Free Will Baptist Foundation's Endowment Pool.

The Board has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Board classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as unrestricted net assets until those amounts are appropriated for expenditure by the Board in a manner consistent with the standard of prudence prescribed by SPMIFA. In accordance with SPMIFA, the Board considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Board, and (7) the Board's investment policies.

The Board has no control over the investments in the endowment. Accordingly, the Board has not adopted an investment policy related to the endowment.

The income earned on the endowment is distributed to the Board every six months. The money is spent to provide extra benefits for Board annuitants.

**16. NEW ACCOUNTING PRONOUNCEMENT**

During the year the new revenue standard ASC 606 became effective. The revenue of the Board is primarily investment earnings and donations. Accordingly, this new standard does not impact the Board's financial statements.

**17. SUBSEQUENT EVENTS**

Subsequent events have been evaluated by Management through April 20, 2020 which is the date the financial statements were available to be issued.

Subsequent to year end there was a pandemic caused by the COVID-19 virus. As a result there was a significant decrease in the value of the investments. As of the date of the report the Board investments had decreased approximately \$2,375,000.

**Executive Director's Report  
2020 National Association of Free Will Baptists  
During the COVID-19 Virus Hybrid Meeting**

**Executive Summary**

This report comes to you while our country is just coming out of the peak of the COVID-19 crisis, a global pandemic affecting every industry and nearly every country around the world. While the world has generally been panicking, the Body of Christ has opportune moments to step into the crisis with a different set of attitudes and actions. As people are social-distancing and quarantined in their homes, these moments define Deuteronomy 6 opportunities: more table-time, deeper conversations, tough questions from kids, reliance upon God by parents, and churches scrambling to keep everyone connected. Pastors wrestle with the future survivability of the church. Churches who equip and minister to families in these moments should, in return, see those same families passionately support their church in the future.

The economy saw the DOW drop over 30% in the span of a week. Unemployment jumped to modern record levels. These factors also impact the church. Randall House will generally reflect the health of our churches and often may lag a little behind what they immediately experience.

Our goal is to serve and support the churches in this crisis. If we can help their health, they will in turn keep us healthy as our country rebounds from the pandemic. Our goals through this crisis are as follows: serve our churches, maintain organizational health, retain every team member, and launch the new *D6 EveryDay* Curriculum as the single greatest family ministry and generational discipleship tool ever published.

**Introduction**

The year was 1914. He pulled out of an English harbor sailing toward Antarctica in the South Pole. The captain of the ship set his sights on being the first to succeed in a transcontinental journey across Antarctica. Even among the best-laid plans, this journey proved to be one of the great studies for adapting within a crisis. Ernest Shackleton named his ship *The Endurance*, and that theme would prove significant.

Just before reaching Antarctica, *The Endurance* entered an ice pack and became trapped. The ice pack trapped the ship and

forced it to follow the path of the drift with no control over direction. Within a few months, the crew realized the ice was crushing the hull of the ship. They offloaded all supplies, sled dogs, sails, and any other component of the vessel for potential repurposing in survival. They also salvaged a couple of the dinghies or lifeboats, which would later prove invaluable. The entire crew survived almost two years in the frozen regions too barren to be classified as tundra, with provisions never intended for such purpose. The men combined all their skills and other resources to survive the climate.

After 16 months, Ernest Shackleton and some crewmen boarded the adapted lifeboats for a near-impossible journey. They set sail for South Georgia Island from Elephant Island, a trip of 800 miles across the open ocean with the navigation tools of the day. Because we read their story today, obviously that small boat found what would be the proverbial needle in the haystack of South Georgia Island in the middle of nowhere. They sent back a rescue party for the remaining crew trapped on Elephant Island.

I originally read Shackleton's story of *The Endurance* in 1998. His legacy, 115 years later, remains an inspiration to many businesses who face hardships today. Numerous books analyzed his leadership and accomplishments of survival and rescue.

Our pastors and national directors can identify with and resemble Ernest Shackleton in leading our ministries through dangerous circumstances. Like the captain of over a century ago, we care deeply about the people around us making it through the storm. Our pastors have lead well through the pandemic so far. We too have navigated the troubled waters. While we are far from safety, our prayer remains that our churches, pastors, and national agencies emerge more tech savvy, shepherding minded, and relationally focused. Enduring the elements, we have our sights set on getting everyone to the other side.

## A Fortuitous Pretext to COVID-19

I spent most of 2019 analyzing the numbers, our team members, and mission tasks. In the fall of 2019, I presented a radical plan to better position Randall House during what has consistently been a perilous decade for publishers. The new initiative shifted our focus, energy, and budget back squarely on our primary mission, but that meant trimming areas and people. The plan also shifted the leadership team, losing one, moving one, and adding one. It likewise meant reducing our team members by three. No matter how right the moves were, these were agonizing decisions.

Now, in hindsight, the fortuitous benefits of having made the hard choices ahead of time positioned Randall House better coming into the COVID-19 crisis. The deeper cuts, the reduction in staff, and the mindset to be leaner created a posture whereby we could deal better with the adaptation of this economic tsunami. Even as I write this report, I do not know the outcome of our summer orders or if we could face a second spike in the virus.

On April 7, we convened a meeting with 20 other CEOs of denominational publishers to see how everyone was dealing with this most unusual time. We discussed our response and support of our churches with numerous free products, including curriculum. The other leaders shared various ways they have responded both in support of their churches and in defense of the financial impact on their organizations. Across the board, the most frequent item shared was that they had cut their book acquisitions and releases for the 2020 fiscal year. The second most crucial item shared regarded the need for cash to sustain the dry period should orders not come in the summer months. Not getting curriculums orders for the summer quarter is the #1 fear for every publisher and may mean the difference in surviving or not.

## The COVID-19 Support for Our Churches.

The current climate is very concerning but also offers the perfect opportunity for parents to learn Deuteronomy 6 "At-home" habits. The departments of events, curriculum, and operations all focused on production, which left our strategic projects department, marketing department,

and myself. I formed a team consisting of David Womack from sales, Danny Conn from editorial and strategic projects, Lena Wooten from marketing, and myself to tackle creative ways we can serve our churches during the COVID-19 mandate to no longer hold public services. We started a [D6Family.com/COVID19](https://D6Family.com/COVID19) webpage offering numerous free resources for discipleship during this time. We allowed churches the rights to record and distribute the lessons within their churches. We included step-by-step instructions for streaming both sermons and Sunday School classes. This page included Easter resources and more. In cooperation with a local church, we distributed a weekly Sunday School video teaching for adults for those churches who did not have the ability to create online resources.

Our pastors who began getting a church experience into the home quickly discovered that church happened without a building. These leaders discovered not only Zoom, but the power of parents stepping up each day with faith talks that reinforce what is happening through everyday D6 habits. Homes could be forever changed if the conversations around Scripture become part of the new norm. This crisis presents the ideal opportunity for church and home to both have an exceptional role in the discipleship process.

The Randall House events department focused on adapting in the lead up to the Vertical Three ministries in July, with intentional options spelled out for YET and Truth and Peace, even though we watched all the revenue vanish along with the typical summer experience. We provided all ages of devotional magazines free for the spring quarter to assist pastors in easy distribution of our key discipleship tools for in-home use.

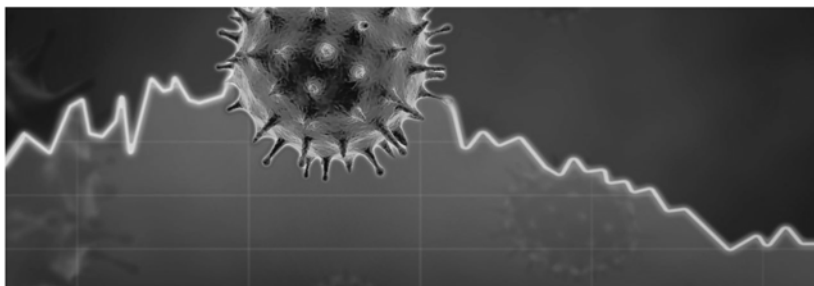

COVID-19 is certainly stretching our pastors. However, albeit out of necessity, their adaptability and increased use of technology will serve them well moving forward. If pastors retain their ability to connect with their people along with an "at-home" discipleship strategy, our churches will become far more healthy than they have ever been. I know we all talk about what we will lose on the other side of this, but there is a lot more to be gained.

### **Our Financial Concerns and Wins During COVID-19**

While no one has all the answers, we are working on a strategy to get Randall House to the other side of this pandemic and economic fallout. It requires our complete focus on stewardship and our churches continuing discipleship regardless of where the classes meet. If we lose 50% of the normal orders for summer curriculum (June–August), it could be detrimental or even fatal to Randall House. Each quarter, we receive \$750,000 in curriculum sales. Our experience tells us that a church who stops ordering curriculum often starts into a death slide, and they may or may not reorder again.

I know we have all heard this phrase many times over, but never before in modern history has humanity faced such complete devastation of numerous industries overnight. Those still standing feel overwhelmed and unsure of the immediate future. However, from a Christian perspective, we confidently know Christ is still on the throne and will prevail regardless of whether or not our churches or organizations do. His Church will remain!

We have offered incentives and additional digital options for the summer for our churches and pastors. Our goal is and has always been to be the best resource provider in order to make the role of pastor a lot easier.

All travel ceased beginning the first week of March. As you are probably aware, most state meetings land primarily in the months of March, April, and May with a couple in June. State leaders canceled every state meeting through the month of May, and I expect the same for the ones in June. Not traveling to all the state meetings saves significant dollars but we lose out on seeing and hearing from our pastors face-to-face. We have just about frozen all spending apart from day-to-day operations.

We have taken advantage of the federal Small Business Association (SBA) loans. If used correctly, SBA loans offer forgiveness and the use requires no strings attached as a religious organization. We sought and received the maximum amount of 2-1/2 months of salary for our organization through the Paycheck Protection Program (PPP).

The following provides a list of actual and potential income losses as a result of COVID-19.

**Actual Income Losses (even if rolled over to next year, it is a loss this year)**

Truth and Peace	\$225,000
Youth Evangelistic Team (YET)	\$30,000
Vertical Three Conference	\$115,000
Sales at National	\$30,000
Sales from other canceled conferences	\$15,000
New customer acquisitions (above events)	\$50,000
<b>Total Actual COVID-19 Losses for 2020</b>	<b>\$465,000</b>

**Potential Income Losses Yet to Be Determined**

Summer curriculum sales (if we drop 25%)	\$187,500
The effect on future quarters (if half losses remain over 6 qtrs.)	\$562,500
Potential delay of book releases	\$30,000
D6 Conference (second quarantine?)	\$290,000
<b>Potential Loss Yet TBD COVID-19</b>	<b>\$1,069,500</b>

At the recent Free Will Baptist Foundation board meeting, the members took proactive steps to divert this year's grant money to national agencies who need help during this time. The board graciously gave us \$100,000 to help offset against the \$465,000 actual loss and the potential

million-dollar loss. We are thankful for both the grant and Paycheck Protection Program loan. Now we must help our churches stay healthy so we can survive as well. Without them, we are nothing.

Last but not least, we positioned ourselves well by creating a new product. Our churches have trusted us for discipleship tools and curriculum all these years. Now, we will trust our churches to help us by being faithful to order every quarter. I can tell you with absolute certainty that *D6 EveryDay*, coming out this fall, is the very best curriculum we have ever produced, bar none.

# EveryDay™

NOT JUST SUNDAY. EVERY DAY.

## **New Curriculum: *D6 EveryDay***

We did a customer survey, hired an in-depth curriculum consultant, and brought in a consultant to train our editorial team on application, questions, and outlining. The combination of what we have learned over the last 16 years, and these new insights bring us the features and experiences our churches and families most need and want.

*D6 EveryDay* continues to champion church and home working together in generational

discipleship. Even our most ardent fans achieve high-level discipleship when at church, but seem to lack how to keep it going through the week. This new tool, *D6 EveryDay*, assists pastors in helping their people continue to live out discipleship through connecting conversations while being in the Word Monday through Saturday. Dads, moms, grandmas, and grandpas all need a tool like the devotional study guides to help them with such conversations and help them with the reading plan.

*D6 EveryDay* features the following:

- Continues the hallmark emphasis of generational discipleship
- Promotes biblical worldview development
- Emphasizes biblical literacy
- Encourages Bible engagement
- Addresses apologetics naturally throughout the scope and sequence
- Tells the story of the Bible
- Emphasizes *daily* discipleship—not just *Sunday* discipleship
- Introduces enhanced discipleship tools for church and home
- Incorporates the FWB Catechism, instructing the foundational truths of the Christian faith
- Easily expands to facilitate a mid-week session

In the broader publishing world, editorial means the book division. We took advantage of the recent changes to rename two departments. The previous editorial department will now be known as the curriculum department. Subsequently, moving forward, we are reclassifying the book division as editorial. Because Dr. Conn will handle books (both Randall House imprint and

Randall House academic) as our primary lead, his title is the Director of Editorial and Strategic Projects. Katie Greenwood will serve as our Acting Director of Curriculum.

Several new enhancements for *D6 EveryDay* include newly designed mastheads, interior redesign, and incredible new application, discussion questions, and experience. *D6 EveryDay* provides a new "at-home" product for one of our adult lines. As you know, there are three adult lines: *The Brink*, *Fusion*, and *Fusion Next*. *Fusion* describes adults with

kids in the home, *Fusion Next* fits adults without kids at home, and *The Brink* provides devotional study material for young adults without kids. The *Fusion* magazine will now become *Fusion Family*.

An added value to your Sunday curriculum purchase is D6 Midweek, which saves churches additional purchases and continues family alignment and generational emphasis.

### The National Convention

We totally support the absolute correct call made by the executive office and executive board to not ask everyone to meet in person at this year's convention. Jesus often met people's physical needs prior to meeting their spiritual ones. The medical and financial liability of trying to forge ahead could have been disastrous. While Randall House will have substantial losses because of not meeting in person, we would have made the exact same call.

Explaining the reasoning makes sense, unless you are a high school senior. This class of students lost so much this spring and summer. The last few weeks of their school experience ended so abruptly, without fanfare, no commencements, and no throwing their caps and tassels in the air. Many of them were also slotted for the life-changing experience of Truth & Peace, YET, and E-Team. As we manage the first two, Truth & Peace (T&P) and Youth Evangelistic Team (YET), we hate that seniors could not participate in these developmental opportunities nor in the Church Training Service (CTS) competition. We have details concerning YET, T&P, and CTS located on our Vertical Three website.

We look forward to being back together next year. We are asking local churches to celebrate the experience of the CTS participants. We have long said the value of CTS is not in medals or trophies but in how each participant gains a stronger biblical worldview, more Scripture memory, and talent to be used in the local church and their homes or schools.

### Summary

Earnest Shackleton should inspire each pastor as he leads his congregation through nearly impossible situations. The leadership in local congregations are pulling from all their resources to keep everyone together and on a path moving forward. Many studies will be written about congregations and connectedness in the midst of isolation. We might very well see a 17th century-style plague launch our pastors into 21st century technology. Our churches will be

more adaptable and connected on the other side of this crisis. The real church left the building for the past three months and now families have interacted around their tables far more.

I'm sure what you have read in my report resembles what you are dealing with in your churches. The problems might be slightly different, the scale different, but the catalyst is still the same. COVID-19 rocked our world, while at the same time presented significant opportunities for D6 to become part of the new norm moving forward. I hope we will retain beautiful times around the dinner table. Our real goal is for parents to recognize those treasured moments with the family and not retreat back to business as usual. I hope kids will not look back and say I miss those family times we had during that virus stuff. Let's pray that Deuteronomy 6 becomes the new norm moving forward from COVID-19.

Leading is serving,

**Report on the Financial Statements**

We have audited the statements of financial position of Randall House Publications of the National Association of Free Will Baptists, Inc. (a nonprofit organization) as of December 31, 2019, and the related statements of activities and changes in net assets, and cash flows for the year then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Randall House Publications of the National Association of Free Will Baptists, Inc. as of December 31, 2019, and changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Report on Summarized Comparative Information**

We have previously audited Randall House Publications of the National Association of Free Will Baptists, Inc.'s 2018 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated April 4, 2019. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2018, is consistent, in all material respects, with the audited financial statements from which it was derived.

## **Notes to Financial Statements**

**December 31, 2019**

**With comparative amounts for 2018**

Randall House operates under the auspices of the National Association of Free Will Baptists and is governed by a Board of Directors. The mission of Randall House is BUILDING BELIEVERS THROUGH CHURCH AND HOME; accomplished in both evangelism and discipleship through curriculum, books and events.

### **(1) Summary of Significant Accounting Policies**

#### **Basis of Presentation**

The financial statements of Randall House have been prepared on the accrual basis of accounting.

Randall House implemented ASU 2016-14, Not-for-Profit Entities (Topic 958) - Presentation of Financial Statements of Not-for-Profit Entities with its effective date for the year ending December 31, 2018. As required by these generally accepted accounting principles, Randall House reports information regarding its financial position and activities according to two classes of net assets as applicable:

Net assets without donor restrictions - Net assets not subject to donor imposed stipulations. These funds may be designated for specific purposes by action of the governing body.

Net assets with donor restrictions - Net assets whose use is subject to donor imposed stipulations and / or the passage of time.

The amount of each of the classes of net assets are presented in the statements of financial position and the change in each class of net assets is presented in the statements of activities.

#### **Measure of Operations**

The statements of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to ongoing activities, including investment income. Non-operating activities are limited to resources that generate return from investment, if any, and other activities of a more unusual or non recurring nature.

#### **Functional Expenses**

The costs of providing program and other activities have been summarized on a functional basis in statement of activities. These expenses are presented by their natural classification in the statement of functional expenses by individual component of program service and administrative expenses. Administrative expenses consist of administration, accounting, IT, marketing, building maintenance, shared occupancy costs and other general expenses.

#### **Cash and Cash Equivalents**

For purposes of the statements of cash flows, Randall House considers all cash funds, cash bank accounts and highly liquid debt instruments purchased with an original maturity of three months or less to be cash and cash equivalents.

#### **Estimates**

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### **Fair Value of Financial Instruments**

The carrying value of cash, accounts receivable, inventory, accounts payable and accrued expenses approximate fair value because of the short maturity of the instruments.

#### **Compensated Absences**

Employees of Randall House are entitled to paid vacation, sick leave and personal days off, depending on job classification, length of service and other factors. Provision for accrued vacations and sick leave payable are made in the financial statements and are included in accrued expenses.

## Notes to Financial Statements

### Notes to Financial Statements, continued

#### Contributions, Including Grants

Contributions received are recorded as net assets without donor restriction or net assets with donor restriction depending on the existence and/or nature of any donor restrictions. Contributions that are restricted by the donor are reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets of with donor restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with restrictions are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

#### Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Returns of curriculum and other printed products subsequent to balance sheet date are also included in the allowance. Balances that are still outstanding after management has used reasonable collection effects are written off through a charge to the valuation allowance and a credit to accounts receivable. The allowance for doubtful accounts (including merchandise returned subsequent to end of the year) as of December 31, 2019 and 2018, amounted to \$5,000. Changes in the valuation account have not been material to the financial statements.

	<u>2019</u>	<u>2018</u>
Accounts receivable, net of allowance of \$5,000	\$ 103,259	79,644

#### Inventories

Inventories, except for warehoused inventory, are stated at the lower of cost or market, with cost being determined by use of the first-in, first out method. Warehoused inventory is valued using a methodology to determine an allowance for loss for slow moving items based on a computation to compute a two year shelf life.

#### Income Taxes

Randall House is exempt from Federal and state income taxes; accordingly, no provision for income taxes is made in the accounts. There is no unrelated business income for 2019 and 2018. Further, management believes there are no activities which will lead to income taxes being levied.

#### Property, Plant and Equipment

Property, plant and equipment are recorded at cost or at fair value as of the date contributed. Expenditures for acquisition of assets in excess of \$500 are capitalized and depreciated over their usable lives on the straight line method. Expenditures for maintenance and repairs, renewals, and betterments that do not significantly extend the useful lives of assets are expensed as incurred.

#### Advertising Costs

Advertising costs are expensed as incurred and amount to \$60,639 in 2019 and \$87,590 in 2018.

#### Deferred Revenues

Deferred revenues consist of revenues collected or billed for services to be rendered in the following year. These deferred revenues consist of the following:

	<u>2019</u>	<u>2018</u>
D6 Conference registrations	\$ 49,876	59,654
Truth and Peace leadership training registrations	14,674	16,505
Other deferred revenues	138	2,100

## Notes to Financial Statements, continued

(1) **Summary of Significant Accounting Policies, continued**

**Concentration of Credit Risk**

Randall House is a distributor of Bible based Sunday school and Church training curriculum, and other denominational publications. Randall House extends credit to its customers which consist primarily of Free Will Baptist churches and religious bookstores. These accounts are not collateralized and are subject to risk of loss amounting to the outstanding balance at any point in time. Further, funds invested with the Free Will Baptist Foundation in the amount of \$153,354 in 2019 and \$184,115 in 2018 are subject to risk of accounting loss. Cash held in local bank are insured to FDIC limits. Management does not anticipate nonperformance by the financial institutions.

**Changes in Presentation**

Certain amounts in the prior period financial statements may have been reclassified to conform to current presentation. These reclassifications, if any, did not change originally reported balances of net assets.

**Subsequent Events**

Subsequent events were evaluated through April 6, 2020, which is the date these financial statements were available to be issued.

On March 19, 2020, a national emergency was declared by the President of the United States relating to the COVID-19 virus outbreak. COVID-19 has caused business disruption beginning March 2020 which is expected to be temporary, but the duration of the disruption is uncertain. Therefore, Randall House expects the matter to negatively impact its operations. However, the related financial impact cannot be reasonably estimated at this time.

In order to mitigate the negative impact, the United States has implemented the "Payroll Protection Program" which is a low interest loan program (ultimately may become a grant if conditions are met) to cover two and half months of total payroll costs. Randall House has made application to participate in this program with a potential loan amount of \$360,000.

(2) **Liquidity and Availability of Financial Assets**

The following reflects Randall House's financial assets as of balance sheet dates available for expenditure within one year from the balance sheet date.

	<b><u>2019</u></b>	<b><u>2018</u></b>
<b>Financial assets at end of year:</b>		
Cash and interest bearing deposits	\$ 114,089	99,913

**Summary of the Minutes  
For the Randall House Board  
2019-2020**

The Randall House Board met at the National Association of Free Will Baptists on Tuesday morning, July 23, 2019, in Cincinnati, Ohio. A financial update for 2019 was received as information. The board agreed to continue to pray for God's moving in the discipleship ministries of our churches. The board approved the implementation of the Plan to Protect Policy as it was written and amended. Committees for the coming year were assigned.

The Randall House Board met in Nashville, Tennessee at Randall House Publications on December 11 & 12, 2019, after the Leadership Conference. Reports were received from the Executive Director. Each committee presented their reports which included Curriculum, Vertical Three, and Finance. The board listened to a strategic realignment plan to refocus efforts on the core mission of curriculum and reduce the budget by \$600,000 (which included a reduction in staff) while planning a new three-year scope and sequence for the new *D6 EveryDay* Curriculum discipleship approach. All reports were accepted and the board prayed for the personnel of Randall House. The board expressed its full appreciation and support of Executive Director (CEO), Dr. Ron Hunter, in leading Randall House through the challenges of modern day publishing while moving Randall House forward in the development and promotion of church and home discipleship. The board elected Kendall Ross to serve as the board clerk when Steve Lindsay fulfills his term in July 2020. The board discussed holding the Spring 2020 Meeting in Tennessee. Free Will Baptist Executive Secretary, Dr. Eddie Moody, accepted an invitation to meet with the Randall House board. The board, Dr. Hunter, and Dr. Moody met for the purpose of greeting one another and expressing interest in continuing to work together for the edification of our denomination and the kingdom of God.

Due to the Shelter in Place restrictions being enforced in the United States, the Randall House Board met through video conference on April 15, 2020. The board heard and received the report from the Executive Director. The board was made aware of the shifting of personnel roles and tasks as various department directors shared concerning their individual departments. The board approved the implementation of the Vertical Three Security Policy. The board also reviewed the possible plans to be implemented should the format of the 2020 National Association be altered due to the COVID-19 pandemic. Randall House made "At Home" resources digitally available for free during the COVID-19 pandemic as an attempt to further encourage families to disciple their children. The 2019 audit, a report of current financials, and the proposed 2021 budget were received and approved. Reports were given and received from Board Committees. The new curriculum line, *D6 EveryDay*, is on track to replace D6 2<sup>nd</sup> Gen in Fall 2020. The board was informed the Engage seminars would no longer be under the purview of Randall House. The Executive Office took over the responsibility for organization and oversight of seminars for future National Conventions. This change, along with others relating to the planning and organization of the National Convention, raised question among the board as to what level Randall House would be included in the discussions and collaboration taking place prior to this and future National Conventions. In the past, Randall House has been

responsible for the planning and onsite logistics of the Vertical Three Conference, which includes but is not limited to: four age-appropriate worship services per day (preschool, children, 456, and teen worship), 80+ breakouts in the ENGAGE Seminars, 1,900 competitors with 900 CTS entries, YET services, 150+ Truth and Peace students and staff, and more. We contract and create agreements in advance with local city and non-profit organizations for service projects for the week. As part of worship services, Randall House contracts with outside AV/Sound production, outside speakers, and a single paid entertainment option for the teens. After a considerable amount of time discussing these matters, a motion passed to request the Executive Director, Randall House Executive Director, planning leaders from both departments, and the officers of both boards meet to clarify the ongoing roles of these symbiotic departments in the planning, operating and promotion of our National Conventions. A second motion was passed to bring clarification concerning a portion of the Vertical Three attendee fee that was initiated by the Randall House board in 2011 to offset the attrition costs of the hotels at the National Convention. Two dollars per paid Vertical Three attendee was voluntarily offered to the Executive Office for their deficits faced in 2011 and subsequent years until the problem was solved. The intent was to offer this portion of the fee temporarily to help our sister agency in a time of need. Randall House discontinued the giving of the fee in 2018, due to the Executive Office no longer dealing with hotel attrition (as the practice continued six years longer than it should have after the problem was solved) and at that time Randall House was facing budget challenges of its own. The Randall House Board, desiring to cooperate with our sister agencies, agreed to pay the portion of the fee from 2018 and 2019. The Randall House Board also decided in the motion that the \$2 fee will not be donated for the 2020 convention and forward. The board expressed appreciation to Randy Scott and Steve Lindsay. Both of these men have served two consecutive terms each and are not eligible to be reelected to the board in 2020.

IM, INC.  
5233 Mt. View Road • Antioch, TN 37013  
[www.iminc.org](http://www.iminc.org)

At IM, Inc. our mission statement guides us in every ministry, program, and activity we undertake. It states clearly and succinctly what we are all about: *'We exist to labor with the Body of Christ to fulfill the Great Commission'*. We sent Laura Belle Barnard, our first missionary in 1935 with the Great Commission as her marching orders. The call to take the gospel to the nations is not limited by geography, language, race, or ethnicity.

Being acutely aware of the unreached in our world, our passion to mobilize, train, and send workers to make disciples of all nations, we are fully engaged in identifying, mobilizing, training, and sending missionaries to *'labor with the Body of Christ to fulfill the Great Commission'*.

The only limitation is the time frame in which we have to accomplish this task, and that will end upon His return. Until that date we will continue to consistently and joyfully *'labor with the Body of Christ to fulfill the Great Commission'*.

### **UNFINISHED!**

Few things can frustrate and discourage like an unfinished task. On the other hand, there is no greater motivator for some than an unfinished task. As we often hear, some see the glass as half full, and others see it as half empty. One's perspective is greatly shaped by what one is actually doing...are you drinking or pouring? We can easily apply this to an unfinished task. Are we doing something to finish it, or just passively living in our frustration and discouragement thinking it is an impossible task? If so, the task will remain 'unfinished'.

IM's theme for the year 2020 is ***'UNFINISHED'***. This is in reference to the 'unfinished task' of taking the gospel to the nations. When confronted with the realities of today's world from both the physical and spiritual realms one can easily be overwhelmed. It may even be tempting to think...it is impossible to finish the task of reaching the world with the gospel.

As of April 2019, statistics show that over 7.7 billion people live on this planet. As followers of Christ, the mere fact that at least 6 billion are not believers is enough to reveal the task is **'UNFINISHED'**. In addition to the lost condition of the 6 billion+, they have physical, emotional, economic, emotional, and other basic life needs that are not being met. **We as believers absolutely must ask ourselves what role God wants 'me' to play in finishing this 'UNFINISHED' task.**

In grasping the magnitude of the **'UNFINISHED'** task Christian should not fall victim to discouragement. We unambiguously see the enormity of the work yet to be done, but we need to be strongly motivated to engage in doing our part to see the commission obeyed.

You are invited to join IM in this effort through your devoted informed prayers, faithful giving, and willingness to fill whatever role God assigns you in taking on this **'UNFINISHED'** task. We will not have completed what He asked of us unless we remain actively engaged in reaching the nations until His return.

#### **FINANCIALLY:**

We rejoice in the dramatic turn-around in our finances. We know this is mainly due to our listening to your appeal to return to designated giving. Thank you for faithfully giving so His message reaches the nations.

Our CFO, Robert Conley, will provide details with his report. I am certain you will rejoice when you see how God has used your obedient giving to support our missionaries in carrying out the Great Commission.

One thing you can do right now is put August 30 on your calendars for your church to participate in IM's annual World Mission Offering (WMO). We were in a worldwide battle with COVID-19 during April when the WMO is normally taken and therefore we rescheduled it.

#### **HIGHLIGHTS:**

The past year offered us a constant diet of change. As one can imagine we saw and experienced a lot of positive changes and enormous progress, as well as our share of challenges.

#### **21 NEW MISSIONARIES APPOINTED:**

Few years, if any, can compare to 2019 when it comes to the number of new missionaries appointed. At the April 2019 board meeting 11 candidates were approved for service with IM, and at the December 2019 board meeting an additional ten were added to our field staff. Our search in the IM archives did not reveal another year with 21 candidates approved. We rejoice in the fact that God sent us amazingly qualified and committed candidates.

Another interesting element has developed. Several years ago, we asked God to bring more national believers to IM to serve as missionaries. Being an international mission agency, we certainly should have some non-Western missionaries. God has richly blessed and we presently have 12 foreign born missionaries.

For the first time in nearly 20 years we have more than 100 missionaries. We count on all IM missionaries and national workers to *'labor together to fulfill the Great Commission'*.

#### **STAFF CHANGES:**

We were privileged to add four amazing new staff members over the last year. Three were replacements for staff members that either retired, resigned, or saw a change of status due to restructuring. Staff changes can often affect the ethos of an agency. IM is truly blessed in that each transition was fundamentally seamless. Each new staff member has fit right into our ethos of unity, mutual respect, pursuit of excellence, and a full commitment to bring honor and glory to God in all things.

In addition, we have one field missionary on 'special assignment' with our department of mobilization. This is a one -year assignment we believe will greatly impact our FWB high school and college students.

We absolutely must mention the departure of long-term staff member, Deborah St. Lawrence. She served IM for almost 22 years in the department of communications. Her particular full-time role was dissolved as we shifted more to the social media realm in our communications. She will be doing some contract work for IM, so we will continue benefiting from her giftedness. Deborah's unquestionable work ethic, mastery of editorial procedures, and pursuit of excellence is greatly respected at IM. We want to express our sincere appreciation for Deborah's years of service and pray God's blessings as she seeks His direction.

The staff changes are:

- Danny Gasperson – Director of Mobilization
- Jackie Gasperson – (part time) in the financial department
- Lauren Biggs – Social Media Coordinator
- Victoria Little – missionary on 'special assignment'
- Deborah St. Lawrence – moved to freelanced contract work

#### **PASSING OF MISSION FAMILY:**

This year we experienced the loss of several former colleagues. Each of these individuals played a part in carrying out the Great Commission. We would like to extend our deepest sympathies to the families that

experienced losses. Some of our IM family experienced loss of extended family members as well. Listed below are those who *Finished* their tasks:

- **Cathy Crawford**, former missionary to France, passed away May 16, 2019.
- **Clara Mae Martens**, mother of Jalayne Marten, former missionary to Côte d'Ivoire, passed away May 31, 2019.
- **Dr. Ruby Griffin Martin**, former missionary to Côte d'Ivoire, went to be with the Lord August 28, 2019.
- **Howard "Howdy" Filkins**, former missionary to Côte d'Ivoire, went to be with the Lord August 31, 2019.
- **Elsie Morgan**, mother of Clint Morgan, General Director and former missionary to Côte d'Ivoire, joined her Heavenly Father October 5, 2019.
- **Harold Critcher**, former CFO of IM, entered Heaven January 3, 2020.

#### **SURPASSING 20 BY 2020 GOALS:**

In 2015 IM's leadership team set five strategic goals to reach by the end of the year 2020. Not only did we reach every goal, but we surpassed them by the end of 2019. To God be all glory and praise for this wonderful work He has accomplished through His willing servants (i.e. IM missionaries, national leaders, and lay people).

Below you will see the goals and status of each of the five areas.

- 1. Increase *cash reserves* to 20%.**
  - a. Goal: Have at least 20% in cash reserves by the end of 2020
  - b. Status: Over the past 12 months we have averaged **37% in cash reserves** ✓
  
- 2. Increase *the number of monthly donors giving to IM* by 20%.**
  - a. Goal: From **803 in 2015 to 963** by 2020
  - b. Status: We ended 2019 with **over 1,000** regular monthly donors ✓
  
- 3. Increase *the number of missionaries (IM/Partners)* by 20%.**
  - a. Goal: Increase **from 93 (79 IM + 13 partner missionaries) to 111** by 2020
  - b. Status: December 2019 we have 103 IM missionaries and 22 partner missionaries = **125 total** ✓

**4. Increase *the number of believers* (FWBs/Partners) internationally by 20%.**

- a. Goal: Go *from 25,524 to 30,528* believers attending our FWB churches overseas each week
- b. Status: The 2019 overseas stats showed an average of **35,537** ✓

**5. Increase *the number of churches* (FWBs/Partners) internationally by 20%.**

- a. Goal: Increase from **462 to 554** churches, meeting places, and mission works to 554
- b. Status: By the end of 2019 the number reached **827** ✓

May we as Free Will Baptist raise our voices in a collective chorus of praise for the wonderful things God has done.

**CHALLENGES FOR 2020 AND BEYOND:**

As we look at the coming year and the near future we see some interesting, not daunting, challenges ahead. We know who is in control and we are counting on Him to guide us each step of the way. A couple of the bumps we anticipate are:

- **Funding the general fund:** It is no secret that people prefer giving to missionaries rather than to administrative expenses. We understand this, but it does not erase the need for funding operations. We will continue to seek new funding streams to cover these costs. This line item in our budget is greatly dependent on our donors giving 'undesignated' gifts as well as 'designated' to the general fund.
- **Resourcing our partnership agreements:** God has blessed us with some amazing partners with whom we labor with to fulfill the Great Commission. All partnerships do not require a financial investment from us, but most do. This is especially true on the fields where we no longer have missionary staff, but have financial commitments to assist the church in evangelism, education, and church planting. It should be noted that many love these ministries and the work of former missionaries, but giving to these partnerships takes a second row seat to missionary support. Is it not possible to view all Free Will Baptist ministries as our part in fulfilling the Great Commission?
- **Developing long-term sustainable funding model:** We rejoice that God is sending us missionaries who are engaging in innovative ministries, and in some cases, perhaps opening new fields. If we are to acquire resources to support the influx of missionaries and their creative efforts it is

imperative we discover funding models that will not only send them to the fields, but also keep them there.

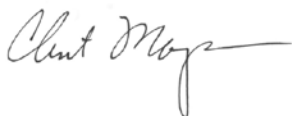

- **Recovering from the COVID-19 crisis:** Hopefully, by the time you read this the crisis will be seen only in our rear-view mirror. However, the economic and emotional affects will more than likely be long lasting. There are no quick formulas for recovery from such a worldwide disaster. We will be called upon to double our efforts in many arenas just to reach some level of normalcy. As we have heard over and over again, we can do this 'together'.
- **No ETEAM 2020:** After much fervent prayer, wise counsel, research, and deliberation IM made the decision to cancel ETEAM for 2020. It was not an easy decision to make. The students were given the option to participate in ETEAM 2021, have funds returned to their donors, or participate in a CMP or THP trip next year. We realize that every missions trip has a level of risk. However, the risk of exposing our students to COVID-19 was just too great. Please join us in praying for these students through the disappointment they may be experiencing.

#### **HOW TO PREPARE FOR 2020 AND BEYOND:**

As we go forward to addressing the UNFINISHED task, what should we do to prepare ourselves to take this on in a manner that will be pleasing to God? I would like to challenge us as Free Will Baptist to consider moving together by doing the following:

- **Pray without ceasing**
- **Discuss problems and plans with equal sensitivity to His leadership**
- **Obey His leadership in all matters**
- **Be 'one' (unified) so the world will know He has sent us**
- **Persevere until the end**

It is our prayer that we as Free Will Baptist will unite our hearts and engage ourselves to '*labor with the Body of Christ to fulfill the Great Commission*'...which to this point is the '**UNFINISHED**' task.

**Clint Morgan**

**General Director, IM**

## BOARD MEETING SUMMARY

The Board of IM, Inc, met twice and held one e-vote from May 1, 2019 to April 30, 2020. Board members for the period included: Dr. Jeff Manning (NC, chairman), Jeff Nichols (TN, vice-chairman), Mark Price (OH, secretary), Dr. Jan Banks (TX), Casey Cariker (OK), Danny Gasperson, (NC, replaced in July), Will Harmon (AR), Dr. Cameron Lane (AR), Darren Walker (NC), and Rodney Yerby (AL).

Board actions throughout the year included:

- Adopting a \$7.9 million framework budget for 2021.
- Recognizing Jeff Manning for his 15 years as board member, serving four years as board chairman.
- Naming Jeff Nichols as board chairman.
- Naming Rodney Yerby as board vice-chairman.

- Appointing Annabelle Ellis as short-term intern to Japan.
- Appointing Josh and Bethany as two-year interns with The Hanna Project to Spain.

## FINANCIAL SUMMARIES

Each gift to IM is a way for you to help with the ***'UNFINISHED'*** task. God uses each donation to help fulfill the Great Commission. Together your gifts help reach the unreached people, introduce people to the true and living God, and meet the physical and spiritual needs of those around the world. Your contributions make an impact.

Consistent, monthly giving remains the best way to support those who evangelize, disciple new believers, plant churches, and train national leaders. Thank you to all who give to IM. Without your gifts, the ministries around the world would be unable to continue. May God bless you for your generous gifts!

**2019 Total Unaudited Income: \$7,938,228.85**

In 2019, **91 churches gave \$10,000 or more to share the gospel around the world.** We are thankful for every congregation that gives to IM.

## Independent Auditors' Report

To the Board of Directors  
IM, Inc. and Subsidiary

### Report on the Financial Statements

We have audited the accompanying consolidated financial statements of IM, Inc. and its Subsidiary, which comprise the consolidated statements of financial position as of December 31, 2019 and 2018, the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements (collectively, the financial statements).

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of IM, Inc. and its Subsidiary as of December 31, 2019 and 2018, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**IM, INC. AND SUBSIDIARY**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**YEARS ENDED DECEMBER 31, 2019 AND 2018**

**NOTE 1 - ORGANIZATION AND NATURE OF ACTIVITIES**

IM, Inc. is a not-for-profit organization (the "Organization") affiliated with the National Association of Free Will Baptists, located in Antioch, Tennessee. The purpose of the Organization is to establish and support Free Will Baptist Mission Churches throughout the world. The Organization's support comes primarily from donor contributions from Free Will Baptist Churches.

The Organization has established a not-for-profit subsidiary (the "Subsidiary," The Hanna Project) to meet the physical and spiritual needs of hurting people around the world.

During 2018, the Organization formally changed its name from the Board of International Missions of the National Association of Free Will Baptists, Inc. to IM, Inc.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Principles of Consolidation*

The accompanying financial statements include the accounts of IM, Inc. and The Hanna Project. All significant intercompany balances and transactions have been eliminated in consolidation.

*Basis of Presentation*

The financial statements of the Organization have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP"), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

**Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

**Net assets with donor restrictions:** Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

*Use of Estimates*

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

*Cash*

Cash includes checking deposits and cash on hand both in the United States and the international mission fields.

*Investments in Trusts*

Investments in trusts are composed of trusts established and maintained by the Free Will Baptist Foundation (the "Foundation"). The Foundation invests the two largest trusts in debt securities and preferred stock and values the trusts at fair market value. The remaining trusts are invested in government securities and valued at cost, which approximates fair market value.

*Investments*

Investments are composed of equity securities and are valued at quoted fair market value.

**IM, INC. AND SUBSIDIARY**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)**  
**YEARS ENDED DECEMBER 31, 2019 AND 2018**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*Property and Equipment*

It is the Organization's policy to capitalize all property and equipment over \$4,000. Property and equipment acquisitions are recorded at cost. Donations of equipment are recorded as revenues at their estimated fair value. Such donations are reported as unrestricted revenues unless the donor has restricted the donated asset to a specific purpose. When depreciable assets are disposed of, the cost and related accumulated depreciation are removed from the accounts, and any gain (except on trade-in) or loss is included in the statements of activities for the period. A gain on trade-in is applied to reduce the cost of the new acquisition. Depreciation is provided over the estimated useful life of three to 39 years and is computed on a straight-line method.

*Contributions*

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

*Income Taxes*

The Organization is exempt from federal and state income taxes under Internal Revenue Code Section 501(c)(3) and the tax laws of the state of Tennessee.

*Functional Expenses*

The costs of providing program and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among program services and supporting services benefited. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

<u>Expense</u>	<u>Method of Allocation</u>
Compensation and benefits	Time and effort
Facilities and utilities	Time and effort
Depreciation	Time and effort
Equipment and supplies	Time and effort

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)**  
**YEARS ENDED DECEMBER 31, 2019 AND 2018**

**NOTE 3 - AVAILABILITY AND LIQUIDITY**

The following represents the Organization's financial assets at December 31:

	<b>2019</b>	<b>2018</b>
Financial assets at year end:		
Cash	\$ 1,278,264	\$ 1,066,847
Investments in trust	1,675,482	1,136,673
Investments	6,855	6,969
Advances and receivables	<u>384,329</u>	<u>365,694</u>
Total financial assets	<u>3,344,930</u>	<u>2,576,183</u>
Less amounts not available to be used within one year:		
Advances for long term use	70,940	98,519
Permanently restricted portion of investments	<u>26,241</u>	<u>26,241</u>
	<u>97,181</u>	<u>124,760</u>
Financial assets available to meet general expenditures over the next twelve months	<u>\$ 3,247,749</u>	<u>\$ 2,451,423</u>

The Organization is working towards a goal to maintain financial assets to meet six months of operating expenses. As part of its liquidity plan, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Organization receives year-round donations from individuals and churches and the Organization makes specific appeals at strategic times of the year for specific projects. Cash flow is tracked through regular budget to actual comparisons which are monitored by management and the board of directors.

**NOTE 4 - INVESTMENTS IN TRUSTS**

Investments in trusts are carried at quoted fair market values or cost. The Organization's trusts at December 31 consisted of the following:

	<b>2019</b>	<b>2018</b>
General Reserves Trust	\$ 1,643,337	\$ 1,100,846
Support Services Endowment	29,440	28,620
MK Scholarship Endowment	2,705	2,631
St. Sebastian Trust	<u>-</u>	<u>4,576</u>
	<u>\$ 1,675,482</u>	<u>\$ 1,136,673</u>

The total investment income for the trusts was \$40,997 and \$23,562 for 2019 and 2018, respectively.

US GAAP requires the Organization to disclose the basis for considering market participants assumptions in fair value measurements. Fair value accounting standards establish a fair value hierarchy that distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity including quoted market prices in active markets for identical assets (Level 1), or significant other observable inputs (Level 2) and the reporting entity's own assumptions about market participant assumptions (Level 3). All of the Organization's investments are valued using Level 1 measurements.

**IM, INC. AND SUBSIDIARY**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)**  
**YEARS ENDED DECEMBER 31, 2019 AND 2018**

**NOTE 5 - INVESTMENTS**

Investments are carried at quoted fair market values. The Organization's investments at December 31, 2019 and 2018 consisted of equity securities. Unrealized (losses) gains were (\$113) and \$163 for 2019 and 2018, respectively. There were no realized gains or losses. The equity securities are valued with Level 1 inputs as more fully described in Note 4.

**NOTE 6 - ADVANCES AND RECEIVABLES**

Included in advances and receivables is \$380,996 and \$356,272 at December 31, 2019 and 2018, respectively for funds advanced to missionaries. When a missionary goes to the field they are given advance funds to establish their missionary work. These funds are normally netted with future expense reimbursements. Any funds still outstanding are due back from the missionary when the missionary resigns or retires.

**NOTE 7 - PROPERTY AND EQUIPMENT**

A summary of property and equipment at December 31 is as follows:

	<b>2019</b>	<b>2018</b>
Land	\$ 165,963	\$ 187,213
Buildings	497,888	561,638
Office furniture and equipment	27,918	32,273
Cameras and projectors	68,754	73,700
Automobiles	946,845	1,043,413
Computer equipment and software	<u>47,648</u>	<u>61,544</u>
	1,755,016	1,959,781
Less accumulated depreciation	<u>(834,212)</u>	<u>(1,014,274)</u>
	<u>\$ 920,804</u>	<u>\$ 945,507</u>

Depreciation expense amounted to \$192,888 and \$194,923 for 2019 and 2018, respectively.

**NOTE 8 - ACCRUED EMPLOYEE BENEFITS**

The Organization has had several programs that provide payments to missionaries at the time of separation to assist with their transition back to the United States. Generally, these amounts are based on the number of years of the employees' service. The most significant program was discontinued on December 31, 2009 and, when cash flow allows, the Organization will continue to pay-out of these funds to all the missionaries. The remaining program provides cash payout upon separation based on reaching 25 years of service. During 2019, the Organization adopted a policy to provide lump sum payments to non-missionary employees at the time of separation based on the number of years of service.

**NOTE 9 - LINE OF CREDIT**

The Organization entered into a maximum \$500,000 line of credit arrangement with Free Will Baptist Foundation secured by the Organization's cash, investments in trusts, and investments. Interest on any outstanding borrowings are payable monthly at The Wall Street Journal published prime rate plus 1.25 percent per annum. No borrowings on the line were outstanding at December 31, 2019 and 2018. The arrangement expired March 12, 2020 and was not renewed.

Annual principal maturities of notes payable are as follows as of December 31:

<u>Year ending December 31,</u>	
2020	\$ 14,624
2021	15,526
2022	16,484
2023	<u>11,659</u>
	<u>\$ 58,293</u>

**NOTE 11 - NET ASSETS WITH DONOR RESTRICTIONS**

Net assets with donor restrictions are restricted for the following purposes at December 31:

	2019	2018
Subject to expenditure for mission personnel and projects	\$ 2,887,170	\$ 2,172,752
Investment in perpetuity, the income which is expendable	<u>26,241</u>	<u>26,241</u>
	<u>\$ 2,913,411</u>	<u>\$ 2,198,993</u>

The Organization has a policy of allocating certain indirect missionary costs to missionary/field net assets. The administrative allocation totaled \$351,291 and \$348,807 for 2019 and 2018, respectively and is recorded as a direct transfer from net assets with donor restrictions to net assets without donor restrictions. The support allocation totaled \$144,964 and \$141,859 for 2019 and 2018, respectively and is recorded as an increase in program services and a reduction of management and general expenses on the statements of functional expenses.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)**  
**YEARS ENDED DECEMBER 31, 2019 AND 2018**

**NOTE 12 - DESIGNATED NET ASSETS WITHOUT DONOR RESTRICTIONS**

Included in net assets without donor restrictions is \$519,336 and \$474,337 of net assets at December 31, 2019 and 2018, respectively designated by the board of directors to fund missionary accounts with deficit balances and to fund specific mission projects.

**NOTE 13 - PENSION PLAN**

The Organization participates in the master pension plan of the Board of Retirement and Insurance of the National Association of Free Will Baptists. The Organization contributes up to 5% of gross salary for missionaries and administrative employees. Employees are allowed to contribute but are not required to contribute. Pension expenses amounted to \$86,504 and \$101,732 for 2019 and 2018, respectively. The pension plan is a defined contribution plan. Under the plan, an account is maintained for each participant and upon retirement the participant can either receive a lump-sum distribution or purchase one of several types of annuity contracts.

**NOTE 14 - LEASE**

The Organization leases office space from the National Association of Free Will Baptists on a year-to-year basis. The rent expense amounted to \$96,079 and \$92,294 for 2019 and 2018, respectively.

**NOTE 15 - CONCENTRATIONS**

The Organization's operations occur substantially in countries outside of the United States. The net book value of the Organization's cash and property and equipment residing outside of the United States totaled \$737,177 and \$719,951 at December 31, 2019 and 2018, respectively.

**NOTE 16 - RELATED PARTIES**

The Organization is affiliated with the National Association of Free Will Baptists. While the Organization is an independent entity, it shares the common goal with the associated churches and other denominational affiliates to labor with the Body of Christ to fulfill the Great Commission. Accordingly, the various Free Will Baptist churches and affiliates share resources and support. Substantially all of the Organization's revenue and support is provided by churches, individuals, and affiliates associated with the National Association of Free Will Baptists. Significant relationships and transactions with these related parties are noted in the consolidated financial statements and related notes by naming the specific entity.

**NOTE 17 - RECENT ACCOUNTING PRONOUNCEMENTS**

In February 2016, the FASB issued ASU No. 2016-02, *Leases* (Topic 842). ASU No. 2016-02 requires recognition of rights and obligations arising from lease contracts, including existing and new arrangements, as assets and liabilities on the balance sheet. ASU No. 2016-02 is effective for annual reporting periods beginning after December 15, 2020. The Organization's adoption of the new standard in 2021 will require quantitative and qualitative financial statements disclosures regarding the Organization's lease arrangements and balance sheet presentation of right of use assets and lease liabilities representative of the Organization's discounted future lease payments. The Organization is currently evaluating the effect that implementation of the new standard will have on its financial statements in the subsequent years.

**YEARS ENDED DECEMBER 31, 2019 AND 2018**

**NOTE 18 - SUBSEQUENT EVENTS**

The Organization has evaluated subsequent events through April 9, 2020 which is the date the financial statements were available to be issued.

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, and quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries, including the geographical areas in which the Organization operates and ministers. While it is unknown how long these conditions will last and what the complete financial effect will be to the Organization, to date, the Organization is experiencing a decline in its contributions and its ability perform ministry activities at its normal pace.

As a result of the Coronavirus pandemic, we have all been given a chance to reevaluate how we do ministry. Our mission has not changed. **We exist to help each woman fulfill her roles in the Great Commission at home and abroad.**

As a denomination, we have chosen to grow, stretch, and be creative. As a national agency, our **social media presence** has been heightened (Facebook, Twitter, and Instagram). Sign up for our e-blasts for current information between issues of *Treasure*. We are thankful *Treasure* became an on-line resource last fall. This allows anyone to access the Bible studies and complementary articles at their convenience.

**Spanish resources** are now available on our website. The major portion is the translations of our Bible studies. This is a work in progress but our goal is to have 50+ studies available for our Spanish-speaking friends over the course of 2020.

In April we unveiled our **WNAC app** providing a means for on-line giving, recurring gifts, and text to give. This was in production before we knew about the pandemic. God's timing is always right.

The **Flourish Ladies' Day Event** is postponed until August 15, 2020 meeting at the Central FWB Church in Huntington, West Virginia. To date we have 250 ladies from eight (8) states registered to share this day with us! Our goal remains for these days to become regional events.

The two opportunities for **Shine! conferences** did not materialize. We continue to pray and plan for conferences during the coming months.

The **Steward Provision Closet** (\$30,000) ministry continues to be a blessing to our international missionaries, church planters, etc. We met **110** specific needs of our missionary families. We also gifted our Ivorian sisters during their Women of the Good News Camp, including the dedication ceremonies of the Women's Center. Between 700-1,000 attended the various services during the weekend. What a blessing to participate and see God bring a dream to reality for their ministry.

Our scholarship program met the needs of **11** students totaling **\$6000** for the year. What a privilege to invest in the next generation of FWB leaders.

**Cleo Pursell Foreign Student Scholarship:** Bible Institute students in Uruguay.

**Miley International Student Scholarship:** Daniel Delgado (Welch)

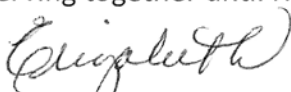

**Dr. Mary R. Wisheart Student Scholarship:** Emilee Davis (Welch)

Our **website** ([www.wnac.org](http://www.wnac.org)) underwent a complete revision and update in the fall. Have you visited our site? If you have any questions, please contact us.

As we seek to minister to all FWB women in every FWB church, we are here to serve and learn. Serve in any way we can and learn from each other. Let us know how we can better serve your women because **together we can do more!**

We are grateful for those who support us consistently. We are depending on the Lord to meet your needs...and ours....as we move forward in these uncertain days.

Serving together until He comes,

Elizabeth Hodges, Ed.S., CMP  
Director

**Report on the Financial Statements**

We have audited the statements of financial position of the Women Nationally Active for Christ of the National Association of Free Will Baptists, Inc. (hereafter WNAC) (a nonprofit organization) as of December 31, 2019, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of WNAC as of December 31, 2019, and changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Report on Summarized Comparative Information**

We had previously audited WNAC's 2018 financial statements, and we expressed an unmodified audit opinion on those financial statements in our report dated April 9, 2019. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2018, is consistent, in all material respects, with the audited financial statements from which it was derived.

**WOMEN NATIONALLY ACTIVE FOR CHRIST  
OF THE NATIONAL ASSOCIATION OF FREE WILL BAPTISTS, INC.**

**Notes to Financial Statements**

**December 31, 2019**

Women Nationally Active For Christ (hereafter WNAC) was approved by the National Association of Free Will Baptists, Inc. to become a department of the organization and is governed by a Board of Trustees. WNAC was incorporated under the laws of the State of Tennessee effective October 2015, after approval was granted by the voting body of the National Association of Free Will Baptists, Inc. at its national convention in July 2015.

The purpose of the organization shall be to assist the various bodies comprising the WNAC in providing opportunities for each woman to fulfill the Great Commission through her God-designed roles in the home, Church, community and world.

**(1) Summary of Significant Accounting Policies**

**Basis of Presentation**

The financial statements of WNAC have been prepared on the accrual basis of accounting.

WNAC implemented ASU 2016-14, Not-for-Profit Entities (Topic 958) - Presentation of Financial Statements of Not-for-Profit Entities with its effective date for the year ended December 31, 2018. As required by generally accepted accounting principles, WNAC reports information regarding its financial position and activities according to two classes of net assets, as applicable:

Net assets without donor restrictions - Net assets not subject to donor imposed stipulations. These funds may be designated for specific purposes by action of the governing body.

Net assets with donor restrictions - Net assets whose use is subject to donor imposed stipulations and / or the passage of time.

Certain amounts in the prior-year financial statements may have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

The amount of each of the classes of net assets are presented in the statements of financial position and the change in each class of net assets is presented in the statements of activities.

Funds received which are designated by the donor to be transferred to third parties are accounted for as liability transactions. WNAC is encouraging donors to make their contributions direct to the respective beneficiary.

**Measure of Operations**

The statement of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to ongoing activities, including investment income. Non-operating activities are limited to resources that generate return from investment, if any, and other activities of a more unusual or non recurring nature.

**Functional Expenses**

The costs of providing program and other activities have been summarized on a functional basis in statement of activities. These expenses are presented by their natural classification in the statement of functional expenses by individual component of program service and administrative expenses. Administrative expenses consist of administration, accounting and other general expenses.

**Cash and Cash Equivalents**

For purposes of the statement of cash flows, all cash funds, cash bank accounts and highly liquid debt instruments purchased with an original maturity of three months or less are considered to be cash and cash equivalents.

**Use of Estimates**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**WOMEN NATIONALLY ACTIVE FOR CHRIST  
OF THE NATIONAL ASSOCIATION OF FREE WILL BAPTISTS, INC.**

**Notes to Financial Statements, continued**

**(1) Summary of Significant Accounting Policies, continued**

**Concentration of Credit Risk**

WNAC has an accounting risk of loss to the extent of funds held by Free Will Baptist Foundation. Further, bank balances in excess of the amount of FDIC insurance are subject to risk of accounting loss. Management does not anticipate nonperformance by the financial institutions and has not experienced, nor does it anticipate, any losses with respect to such accounts.

**Fair Value Measurements**

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy which gives the highest priority to observable inputs such as quoted prices in active markets for identical assets or liabilities (Level 1), the next highest priority to inputs from observable data other than quoted prices (Level 2) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined as assumptions market participants would use in pricing an asset or liability. For the years ended December 31, 2019 and 2018, endowment funds held by Free Will Baptist Foundation were valued at market using Level 2 inputs.

The carrying value of cash, accounts receivable, accounts payable and accrued expenses approximate fair value because of the short maturity of these instruments.

**Contributions, including Grants**

Contributions received are recorded as net assets without donor restriction or net assets with donor restriction depending on the existence and/or nature of any donor restrictions. Contributions that are restricted by the donor are reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets of with donor restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with restrictions are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

Contributions of assets, if any, are recorded at fair value at the date of the donation, depending upon whether or not the contribution is restricted by the donor.

**Accounts Receivable and Printing of Magazine (Treasure)**

During 2018 WNAC extended credit to churches and individuals located throughout the United States for magazine subscriptions and literature. Printing of magazines has been terminated. The magazine has experienced substantial losses for many years. Losses for 2019 and 2018 amounted to \$26,133 and \$24,090, respectively. The current magazine is available online at no charge. Receivables, if any, are miscellaneous in nature.

**Fixed Assets**

Furniture and equipment are recorded at cost or at fair value as of the date contributed. Expenditures for acquisition of assets in excess of \$500 are capitalized and depreciated over their usable lives on the straight line method. Expenditures for maintenance and repairs, renewals, and betterments that do not significantly extend the useful life's of asset are expensed as incurred.

**Income Taxes**

WNAC is exempt from Federal and state income taxes; accordingly, no provision for income taxes is made in the accounts. There is no unrelated business income for 2019 and 2018. Further, management believes that WNAC has no activities which will lead to income taxes being levied.

**Compensated Absences**

Employees of the WNAC are entitled to paid vacation, sick days and personal days off, depending on job classification, length of service and other factors. It is impractical to estimate the amount of compensation for future absences and accordingly, no liability has been recorded in the accompanying financial statements. WNAC's policy is to recognize the cost of compensated absences when actually paid to the employees.

**(1) Summary of Significant Accounting Policies, continued**

**Subsequent Events**

Subsequent events have been evaluated for potential recognition and disclosure through April 21, 2020, the date these financial statements were available to be issued.

On March 19, 2020, a national emergency was declared by the President of the United States relating to the COVID-19 virus outbreak. COVID-19 has caused business disruption beginning March 2020 which is expected to be temporary, but the duration of the disruption is uncertain. Therefore, WNAC expects the matter to negatively impact its operations. However, the related financial impact cannot be reasonably estimated at this time.

In order to mitigate the negative impact, the United States has implemented the "Payroll Protection Program" which is a low interest loan program (ultimately may become a grant if conditions are met) to cover two and half months of total payroll costs. WNAC has made application to participate in this program with a potential loan amount of \$19,250.

**(2) Liquidity and Availability of Financial Assets**

The following reflects WNAC's financial assets as of balance sheet dates, reduced by the amounts not available for general use because of donor-imposed restrictions within one year from the balance sheet date as follows:

	<b><u>2019</u></b>	<b><u>2018</u></b>
Financial assets:		
Cash and cash equivalents	\$ 150,184	149,243
Gift cards included in inventory and prepaid assets	2,470	1,775
Accounts receivable	-	122
	<u>152,654</u>	<u>151,140</u>
Donor restricted net assets included in financial assets above		
Mary Wisheart Student Scholarship Fund	89,068	90,112
C. Pursell Foreign Scholarship Fund	830	467
Steward Provision Closet (providing supplies and other benefit to missionaries)	53,187	48,488
	<u>142,255</u>	<u>138,600</u>
Financial assets available to meet general expenditures over the next twelve months	<u>\$ 10,399</u>	<u>12,540</u>

WNAC continually monitors cash flow and cash balances, with an end goal to maintain positive cash flows and cash balances.

**(3) Endowment Funds**

Contributions to the endowment fund are subject to donor restrictions that stipulate the original principal of the gift is to be held and invested indefinitely, and the income earned be expended for the mission of WNAC. As required by generally accepted accounting principles, net assets associated with the endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

WNAC is subject to the State Prudent Management of Institutional Funds Act (SPMICA) and, therefore, classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions until appropriated for expenditure. The Board of Trustees have interpreted SPMIFA as requiring maintenance of only the original gift amount contributed to the endowment fund. As a result of this interpretation, WNAC would consider the fund to be underwater if the fair value of the fund is less than the sum of the original value of the contribution and subsequent gifts donated to the fund. WNAC has interpreted SPMIFA to permit spending from underwater funds in accordance with prudent measures required under the law. The fund is not currently underwater.

Investments of endowment funds are held by Free Will Baptist Foundation and are valued using Level 2 inputs (as described above) based on fair market value quotes. All resulting net accumulated investments gains are maintained either as net assets with donor restriction to fund appropriations which are generally calculated at approximately 5%. During 2019, WNAC took a larger distribution amounting to \$6,959 which is in accordance with the original trust agreement.

	<u>\$ 2,141</u>	<u>1,146</u>
<b>Total invested funds with Free Will Baptist Foundation as endowment</b>	<u>\$ 52,758</u>	<u>51,763</u>

**(4) Net Assets With Donor Restrictions**

Net assets with donor restrictions are as follows as of December 31:

	<b><u>2019</u></b>	<b><u>2018</u></b>
<b>Specific purposes:</b>		
Mary Wisheart Student Scholarship Fund	\$ 89,068	90,112
C. Pursell Foreign Scholarship Fund	830	467
Steward Provision Closet	53,187	48,488
	<u>143,085</u>	<u>139,067</u>

	<u>52,758</u>	<u>51,763</u>
<b>Total net assets with donor restrictions</b>	<u>\$ 195,843</u>	<u>190,830</u>

**(5) Net Assets Released From Donor Restrictions**

Net assets were released from donor restrictions during the year ended December 31, 2019 by incurring expenses satisfying the restricted purposes or by occurrence of other events specified by donors:

Cleo Pursell Foreign Student Scholarship Fund	\$ 750
Mary Wisheart Student Scholarship Fund	5,000
Steward Provision Closet	<u>8,053</u>
<b>Net assets released</b>	13,803
M. Workman Endowment funds distributed	<u>6,959</u>
<b>Net assets released after distributions</b>	<u>\$ 20,762</u>

**WOMEN NATIONALLY ACTIVE FOR CHRIST  
OF THE NATIONAL ASSOCIATION OF FREE WILL BAPTISTS, INC.**

**Notes to Financial Statements, continued**

**(6) Pension**

WNAC participates in the master pension plan of the Board of Retirement and Insurance of the National Association of Free Will Baptists, Inc. The plan is contributory and is matched up to a maximum of 5% of compensation. Employees may participate at date of employment. Pension expense amounted to \$3,660 in 2019 and \$5,290 in 2018. The pension plan is a defined contribution plan. Under the plan, an account is maintained for each participant and upon retirement the participant can either receive a lump-sum distribution or purchase of one of several types of annuity contracts.

**(7) Related Party Transactions**

**Operating Leases**

WNAC rents office space from the National Office Building located in Antioch, Tennessee. The lease agreement is cancelable with 90 day written notice. Office lease expense amounted to \$27,875 in 2019 and \$26,449 in 2018.

**One Magazine of the National Association of Free Will Baptists**

The denomination began the publication - One Magazine - in 2005 to combine the publications of certain Free Will Baptist agencies and organizations. One Magazine is funded by contributions from each of these agencies and organizations. WNAC provided support to One Magazine of \$8,853 in 2019 and \$8,735 in 2018.

**Large Revenues From Related Parties**

Larger than normal gifts and grants have been received as follows from agencies of the National Association of Free Will Baptists:

	<b><u>2019</u></b>	<b><u>2018</u></b>
Cooperative giving through the Together Way Plan	\$ 92,838	105,384
Executive Office	4,954	4,683
IM, Inc.	10,000	-
Free Will Baptist Foundation	-	22,000

**(8) Accounting Error**

An error was made in recording Gift Cards on Hand as of December 31, 2018. The effect of the error overstated by \$8,300 the ending balance of "Net Assets with Donor Restrictions". The resulting adjustment reduced these net assets as originally reported from \$199,130 to \$190,830 as restated. This adjustment is presented on the Statement of Activities and Changes in Net Assets.

## Music Commission Report

The primary purpose of the Music Commission is to promote the development of worship ministry in Free Will Baptist churches. During 2019 we dug into the work of creating an interactive web site to provide information, training, and other resources for music leaders. Our target audience is comprised of those who serve their local churches in part-time or volunteer music leadership roles.

The new website is named [fwbworship.com](http://fwbworship.com). A special meeting of the Commission took place in September to define the scope of the project and assign responsibilities. Each of the Commission members is actively involved in creating and compiling the initial content for the site. Bryan Hughes serves as our project leader. The actual launch has been delayed due to the challenges our ministries have experienced in the early months of 2020. We will announce the launch of the site as soon as we are able.

The Music Commission also serves the Executive Office to assist the Convention Music Coordinator in the planning and leading of the worship services during the annual convention. We promote awareness and participation through a Facebook page for the Music Commission. The planning of the 2020 Convention was made in January, 2020. Preparations were well underway when the crisis required the cancellation of the convention. We certainly look forward to serving in preparing for the 2021 Convention.

Our commission members individually continue to assist Free Will Baptist churches as their musicians and worship leaders look for resources and mentoring relationships to develop skills and cultivate hearts required for vibrant worship.

We ask you to pray with us that the Lord of the harvest will send forth workers with a heart for worship into our churches.

As we serve you we welcome your questions, input, and feedback.

The Free Will Baptist Music Commission

Free Will Baptist Media Commission Report  
for the National Association of Free Will Baptists  
Oklahoma City, Oklahoma  
July, 2020

Since the convention last year we launched a website to share resources and blog about ways the Media Commission can assist our denomination's media teams. We are also connecting with more church media teams through Facebook. If you don't follow us on Facebook I would like to encourage you to like our Facebook page.

The year 2020 marks an exciting year for the Media Commission. The last time we were in Oklahoma City in 2010 was the first year the Media Commission streamed the convention services. From 2010-2019 there have been approximately 109,000 viewers from across the world watching online. In 2017, we were able to start offering streaming in Spanish. We have had approximately 18,000 viewers watching in Spanish. This continues to be our primary focus.

This year has been a year of challenges. None of us could have anticipated the impact of COVID-19. The Media Commission has been privileged to assist many of our churches to begin live streaming.

We are excited to announce this year we have partnered with [churchstreaming.tv](https://churchstreaming.tv) to host the stream for this year's convention. Please reach out to us on Facebook for more information on the services they provide or how they could assist you with streaming at your church.

Our plan is to continue networking with media teams within the denomination to provide resources. We have setup a private group on Facebook for Free Will Baptist media teams to network together and have a place to ask questions and discuss ideas.

Thank you for allowing us to serve our denomination and our Lord.

## 2019-2020 Historical Commission Report

The Free Will Baptist Historical Collection at Welch College continued to expand in 2019, receiving significant donations from Alabama, Georgia, Kansas, Mid-Atlantic District, Northwest Association, the WNAC archives, and West Virginia, along with other individual and organizational donors. The commission is grateful to those helping to preserve the Free Will Baptist story for future generations. ***We encourage every Free Will Baptist to join this important effort*** by donating historical items, or by alerting the commission to historical materials that might be available.

Commission Chairman Robert E. Picirilli continues to author historical volumes. His late-2019 release, ***Free Will Baptist History: Exploring Our Origins and Identity***, is available for purchase from Randall House (and can be bundled with his previous work ***Little Known Chapters in Free Will Baptist History*** for significant savings). Visit [RandallHouse.com](http://RandallHouse.com).

The commission continues work on The Minutes Project, scanning and posting online all national, state, district or quarterly minutes in the collection. Through April 2020, minutes have been scanned through Missouri and posted online through Mississippi. Additionally in 2019, the entire run of *Heartbeat* magazine was added to the website (in cooperation with IM, Inc.), as well as issues of the long-running North Carolina publication, *The Free Will Baptist*, dating to the 1870s.

Recent scanning efforts have benefited from the addition of a Zeutschel Zeta™ rare document scanner, made possible by a grant from Free Will Baptist Foundation. The overhead scanner allows users to capture high-resolution digital images of rare books and papers without damaging the source documents.

The digital collection may be accessed in person at Welch College, by visiting ***FWBHistory.com***, or by searching ***welchlibrary.wordpress.com***. To donate historical materials, contact curator Phillip Morgan: [pmorgan@welch.edu](mailto:pmorgan@welch.edu). Once again, the commission thanks the individuals and organizations that contributed during the past year.

## **The Report of the Commission for Theological Integrity**

The purpose of the Commission for Theological Integrity is: (1) to alert our people to theological trends that could threaten our theological integrity as a denomination, (2) to prepare materials that will contribute to the continued preservation of the theological integrity of the denomination, and (3) as need and opportunity arise, to conduct seminars on subjects which are pertinent to the purpose of the Commission.

On October 28–29, 2019, we sponsored our twenty-third annual Theological Symposium. The Symposium met on the campus of Welch College in Gallatin, Tennessee. The Symposium featured a theme of the doctrine of the church. Papers were presented on the ministry ethos from Paul's address to the Ephesian elders, the eschatology of Luke, apologetics in Acts 17, the future of denominationalism, leading change in the church, conservatism and the church, the infinity and immutability of God, confessional practical theology, the church as embassy, and associationalism.

Our twenty-fourth annual Theological Symposium will meet October 5–6, 2020, on the campus of Welch College in Gallatin, Tennessee. We invite paper proposals for this Symposium. Papers on all theologically and Christian worldview-related topics will be considered. All those interested in submitting papers for possible inclusion in the Symposium program are encouraged to contact Jackson Watts at [fwbtheology@gmail.com](mailto:fwbtheology@gmail.com).

In 2019 the Commission published its latest issue of *Integrity: A Journal of Christian Thought*. The journal is provided free of charge to Free Will Baptist pastors as well as a number of theological libraries and can be purchased for a nominal charge. We also encourage you to read theologically related essays at our blog, [FWBTheology.com](http://FWBTheology.com).

This year, owing to the cancelling of the Annual Session of the National Association of Free Will Baptists because of the Coronavirus, we will have an online panel discussion on the importance of doctrine for denominational identity. In addition to the members of the Commission, Eddie Moody and Jesse Owens will be a part of the panel.

Respectfully submitted,

The Commission for Theological Integrity

Kevin Hester (secretary)

## 2020 President's Report

### Welch College

This past year, Welch experienced record enrollment, the highest budget in the college's history, solid gains in mission fulfillment, and the addition of several new programs. The big event for the year was the onset of the Coronavirus and the devastating effect it has had and will have on the campus. Despite the challenges of this pandemic, God has blessed Welch. With the support of God's people, we are poised to survive this storm and come out stronger than ever.

COVID-19 has hit us hard. Our students had to leave campus in March and won't be able to come back until the fall, when we plan to start on-campus classes back in full force. So many of our students have been drastically affected by this crisis. That is why we have begun a fundraising campaign to underwrite special scholarships so that needy students can continue their education in the fall.

Our students are eager to get back, and the high school seniors who were so excited to begin their Welch journey this fall are hopeful they can enroll. However, we need you to pray that these students will have the funds they need to fulfill what they believe is God's calling on their lives as they prepare for a life of Christian leadership and service at Welch College.

#### Remaining True to Our Mission and Purpose

Interacting with Welch students and teaching them and speaking to them in chapel are constant, poignant reminders of the mission and purpose of Welch College: to educate leaders to serve Christ, His church, and His world through biblical thought and life. I see in the eyes of the students with whom our Lord has blessed us a desire to learn how to make a transformative impact on their culture through the gospel of Christ, in the context of their roles as clergy and lay leaders in local churches as well as salt and light in the professional world.

Their desire meshes with the emphasis on spiritual formation that pervades our campus community—a formation that is shaping not only our students' hearts, but also their intellect and their character. As an alumnus or supporter of Welch, you would be proud of these students, and proud of the faculty who are pouring their lives into them.

One of these students is Debbie Driscoll, a member of the Class of 2020. Debbie came to Welch from Bulgaria, where her Bulgarian parents are missionary church planters. At Welch she majored in English and minored in Missions. She met her husband Brenton here, and they are now raising support to go to Bulgaria as full-time missionaries. Recently Debbie said:

Welch was a whole new world for me—new country, new culture, new people, new educational system, new challenges, and new lessons. And yet all of these “new things” seemed to be united by the common denominator of “adventure.” . . . At Welch, I was challenged in more ways than I can count, both academically and spiritually. Academically, I was challenged to persevere and work toward what was good, true, and beautiful, no matter the cost. Spiritually, I was stretched more than I thought I could bear. . . . I am thankful for the spiritual growth that took place in my life during my time at Welch, because I believe that spiritual growth is what permits an even clearer vision of who Jesus is. C. S. Lewis illustrates this very well in his novel *Prince Caspian*. In the book, as Lucy comes face-to-face with the Christ figure Aslan, she finds out that the Great Lion has grown since she last saw him. In truth, it is Lucy's faith that has grown, not Aslan. The Great Lion seems bigger simply because Lucy can see more of him now. Over the course of

time, Aslan has transformed Lucy's faith into the kind of faith that will transform Narnia. Aslan also requires that Lucy show the courage of a leader. In other words, He requires that Lucy perform the role she seems least qualified to perform. Yet He does not instruct that she do it in her own strength. . . . I cannot tell you how many times I experienced Christ's role as my strength-giver and sustainer while at Welch. He gives strength to the weary and increases the power of the weak. He does not require His people to walk alone and do His will isolated from His presence. Instead, He offers to carry His beloved children and strengthens them along the way. . . . God definitely strengthened me during my time in college. He strengthened me not only through His Word, but also through His people at Welch."

Welch continues to have a life-transforming impact on students like Debbie by inviting them into the rich adventure of the true, the good, and the beautiful, which are ultimately found only in Christ. At Welch, our students find out what this vision of the world means for gospel evangelization and the renewal of families, churches, and cultures.

With our God-given mission and purpose firmly at the college's center, God has sustained Welch in good times and bad times. At this point we don't know what that looks like in the midst of the fallout from the Coronavirus pandemic. Experts believe that higher education—especially private colleges and universities that rely for the majority of their income on dorm students—will be one of the hardest-hit sectors by the COVID-19 recession. This will especially be true in the fall, with families facing job losses, salary decreases, and uncertainty, and many of them having to keep their children at home rather than sending them off to college. Yet we are confident that, with the financial support of our denomination, alumni, and donors, we can make it through this crisis.

### **Looking Forward to Growth after the Coronavirus Crisis**

The approach we are taking is to engage in crisis management and get through the next fiscal year, and the summer after it. Then higher education experts are predicting that the colleges that survive the crisis will be met with increased enrollments in the 2021–22 academic year, as many students who sat out a year or went to a local community college will be ready to go to their first-choice college, and the economy will have bounced back.

The good news is that Welch was stronger than most colleges going into the crisis, and that means we will be more prepared to jump-start things after the crisis has abated. Moody's Investors Service recently reported that fewer than six percent of private colleges and universities have three months or more of cash reserves, and around 30% have been experiencing budget deficits for several years. Residential colleges and universities have also been witnessing shrinking enrollments, as more students stay home and commute to free community colleges or attend online programs, and as the number of high school seniors declines.

Yet Welch has been able to buck these trends in recent years, and this means we will have a better chance of bouncing back strong once the present difficulty subsides. For one thing, we have the advantage of being a lower-cost private college. Only six private colleges and universities in Tennessee (20%) have lower tuition than Welch. Our tuition is about \$8,000 less than the average of accredited private colleges and universities in the Tennessee Independent Colleges and Universities Association (TICUA).

However, the statistic that is most encouraging is Welch's record of enrollment growth in a time when private higher education is largely plateaued or declining. Data from TICUA shows that Welch's FTE (full-time equivalent) enrollment has grown by 36% over the past *ten* years, as compared with a 9% increase in TICUA schools as a whole.

Even more encouraging is the comparative numbers over the past *five* years. Welch's FTE (full-time equivalent) enrollment has grown by 18% over the past five years, as compared with TICUA schools as a whole,

whose overall FTE enrollment has *dropped by* less than 1%. Only one out of the other 33 TICUA institutions had a higher five-year enrollment increase than Welch.

We continue this record of growth: This year we had our highest enrollment in thirty-six years, with an annual enrollment of 489 students. Our new campus and the new academic programs we have unveiled in recent years—including new undergraduate programs in nursing, math education, and computer science as well as master's degree programs in theology, ministry, teaching, and special education—are fostering this enrollment growth.

We are thankful for these trends at a time when traditional, private, residential colleges are having difficulty maintaining enrollments—especially of 18 to 22-year-old dormitory students—in the face of the proliferation of cheap online learning. And we believe this strength going into the COVID-19 pandemic will help us come back strong after it's over.

However, we won't be able to experience a rebound unless friends of Welch continue steadfast in their financial support of the college. There is no doubt that we are in for some tough times because of the impairment of our donors' financial situation in the midst of the current crisis. Yet we are asking our donors who still can to sustain the level of support they have been providing for Welch up to this point. Some of them will be in a position that they can make special gifts to make up for the shortfall we will inevitably face.

Many of our supporters have asked how they can help, and the best way is through the COVID-19 Student Relief Fund we have set up. Gifts to this fund will enable students to continue their education who otherwise wouldn't be able to because of economic difficulties their families are facing because of the Coronavirus. With the financial help of God's people, we will be able to survive this crisis, and come back stronger than ever. So I ask you to continue to support us, and support our students, if you are financially able to, and to pray that God will undergird our beloved institution at this crucial time.

The most important thing that I can ask you to do is to pray for Welch and to encourage students to enroll. Pray that God will sustain Welch during this current crisis, and that He will make it stronger. Pray for our students and the faculty and staff who invest in their lives daily. Pray for prospective students who are considering Welch for their college education this fall. Pray for donors whom we believe God is leading to make a significant difference in the future of Welch and its kingdom impact. Pray about what God would have you do to be a part of the ongoing mission of *your* college, and encourage students you believe would benefit from the Welch experience to come this fall.

Thank you for all you do for this institution that has faithfully served the National Association of Free Will Baptists for nearly eighty years.

Sincerely,

Matt Pinson  
President

## **Synopsis of Minutes**

### **Board of Trustees**

**June 2019-May 2020**

***July 22, 2019***

In its meeting at the Annual Session of the NAFWB, the Board of Trustees approved the audited financial statements.

***October 30, 2019***

The Board of Trustees met via conference call and the Board approved the outsourcing of Plant Operations to a local company.

***December 11, 2019***

In its regular December meeting, the Board of Trustees welcomed new Board member Chris Truett, engaged in Board training with Dr. Clark Dickerson, heard reports from various departments, and approved the IRS Form 990. Trustees also voted on several items related to the college's investment policy, enacted a new policy for cataloging official minutes and documentation from meetings of the Board of Trustees, and approved the hiring of White and Associates to manage campus plant operations.

***April 13, 2020***

The Board of Trustees met via video conference and approved the Administration's request to borrow Small Business Administration funds and apply for an additional emergency line of credit from the Free Will Baptist Foundation, both for Coronavirus relief.

Owing to the Coronavirus, the regular May meeting was postponed until the summer.
