INITIATIVE

OCTOBER BIBLE READING GUIDE

How can I empower my prayer life? Throughout the month of October, we will emphasize certain aspects of prayer: adoration, confession, thanksgiving, and supplication. However, we also can learn much from the prayers found in the Bible. In addition to reading a chapter a day this month, we also ask you to read a particular prayer recorded in Scripture and pray it as your own. We also encourage you to download the NAFWB Prayer Journal and adapt and use it as your own: nafwb.org/jeremiah29.
