Dear Pastor,

I want to encourage you to receive a **Rest of the Family Offering on April 24**. You may be wondering, "What is the Rest of the Family Offering?" It is an opportunity to give to the denominational agencies and entities that are often forgotten, although they serve an important function. The offering goes to the **Executive Office, WNAC, Free Will Baptist Foundation, Board of Retirement, Vertical Three**, and the **commissions**.

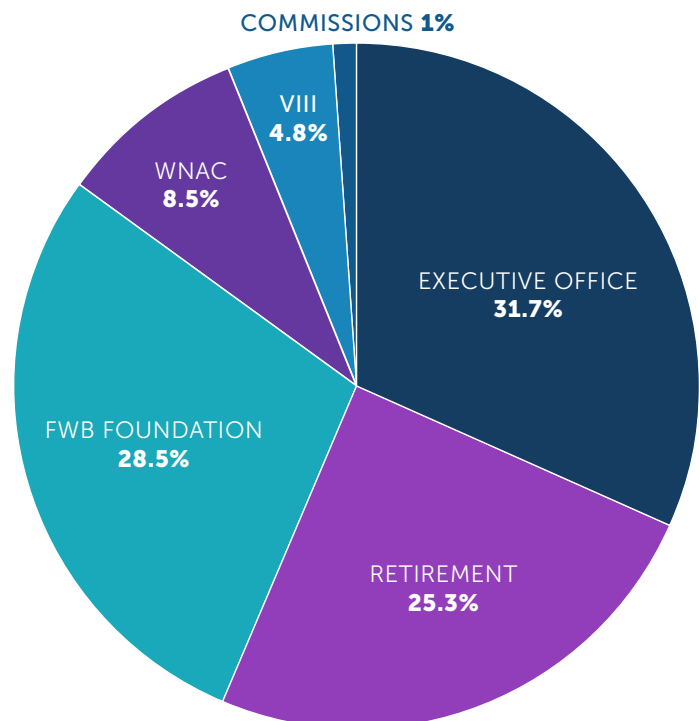

This offering is quite helpful to those who receive it as we strive to help pastors and churches. For example, the offering assists the Executive Office in partnering with North American Ministries to provide coaching and revitalization resources to our pastors and churches. It enables WNAC to offer conferences like *Shine!* for girls, parents, and youth workers and to engage in activities supporting our ladies, college students, and missionaries. The offering helps Vertical Three (an arm of Randall House) by deferring some of the cost of the V3 Conference. The Board of Retirement and Free Will Baptist Foundation use the financial resources to provide training tools for our churches, and the commissions (music, media, historical, and theological) are in a better position to serve the denomination because you give. You can see a breakdown of how the offering is allocated.

Give me a call at **877-767-7659** or email at **questions@nafwb.org** if you have any questions. Anything you give will be used well and greatly appreciated.

May God richly bless you!
